FEDERAL BUREAU OF INVESTIGATION

Chicago, Illinois

Gentlemen:

You may recall reading an article in the papers last week about a seven year old boy who mailed a letter to Mayor Daley expressing sorrow about the fire at McCormick Place and enclosing his 25¢ allowance to help rebuild another one. I only mention this because enclosed you will find some subversive garbage that was mailed and addressed to my son [redacted]

b6
b7c

I scanned over the literature briefly and was filled with a sense of revulsion not only because of this distorted half-truths and hate-filled propaganda it contains...but much more because the sick minds had addressed it to a seven year old boy who received some publicity because of a simple letter he had mailed to Mayor Daley.

Needless to state, I became very angry and upset and wanted to do something...and not knowing what to do, I simply decided to mail this garbage to you people. I don't know whether any laws have been broken or not; in all probability, these poor sick minds who wrap themselves in the protection of the American Flag are cunning enough to stay within the law...but at least I feel that you should be aware of their names and organizations, although in all probability you probably are.

In any event, please do with it what you will and then deposit it in the nearest garbage can since that is where it really belongs.

Sincerely,

AMERICANS BEWARE!

The conniving slavemasters are in your midst.

They aren't strong enough yet to plow this republic under, but if they can keep you

duped and dopey long enough, they'll have the world.

In Soviet Russia, 4 1/2 million Jews keep 170 million Russian Gentiles in total submission; abject slavery. The masters of deceit have been scheming for centuries to take over the world and now they're doing it. The Russian people don't like Communism and would throw the serpents out of the Kremlin if only they had guns — but they haven't any weapons. In the Soviet Union, it's a crime for a private citizen to own firearms. Only the Kike secret police are armed; the rest of the people cannot call their souls their own. That could happen here. **Don't let them take your guns away!**

There is already a disarmament plot at work in Washington. Our army and navy are being whittled away; issued obsolete weapons and shipped off to Viet Nam to get rid of them. Senator Dodd has a bill in committee to make it almost impossible for American citizens to own personal firearms. The bill is S 1592.

Rabbi Irv. J. Rosenbaum, 168 Clark, Chic., Ill., 60603, Phone FI. 6-7370, and Rabbi S. Burr Yampol, 6159 N. Kenmore, Chic., Ill., 60626, Phone SH. 3-7659, are Filhrers /leaders/ of Communism in Chicago. The most effective weapon is true literature. The first defense against Communism is to understand it.

Communism Killed Kennedy

COMMUNISM IS
RABBINISM.

First, the bill would prohibit a hunter or gun-collector from going to another state and taking his guns along or having them shipped to him. The bill also restricts mail-order purchase of firearms, which would make it almost impossible for persons in outlying areas (central Wyoming, for example) to purchase weapons. Citizens who prefer to remain armed in face of the growing Soviet menace to American peace and security would be effectively immobilized by this legislation. (In the Soviet Union, citizens must have passports and permission of the Communist Party in order to travel from one city or province to another. Usually, only Jews are granted such permission.) The bill would also make it illegal for a gun-dealer to sell a firearm to anyone not a resident of his particular state. This provision, too, would help to immobilize the American people in a time of national crisis. If this great country were suddenly invaded and most of our armed forces were off in Viet Nam or some place in Asia, who would defend the American homeland? The U. N.? That would be a fine kettle of Kosher gefullte-fish! The red-front U. N. is to defend a disarmed America from the Soviets, eh? Ho!

But it's no laughing matter.

Senator Dodd pretends to be concerned about the safety and security of our future presidents. Well, what about the security of future citizens? What need would the U. S. A. have of a secure president if the citizens cannot defend their own homes against a marauding invader or a rioting rabble?

New York City has a very restrictive gun law: the Sullivan Act. It was enacted many years ago to deter crime in that city. But FBI figures show that 25 states have a per capita homicide rate lower than that of New York with its Sullivan Law. The fact is, where honest citizens are disarmed, criminals run rampant.

AND COMMUNISM IS THE BIGGEST CRIMINAL CONSPIRACY IN WORLD HISTORY!

VITAL QUESTIONS

WHICH DEMAND ANSWERS!

Copies of these questions sent to Hon. Senators Richard Russell, (Ga.) and John Cooper, (Ky.) who opposed release of Warren Report, while "THERE ARE SERIOUS GAPS IN TESTIMONY AND EVIDENCE."

1. WHY did Gov. Connally make a special trip to Washington to dissuade Pres. Kennedy from Dallas trip at that time?
2. WHO was the "top Democratic Leader" who changed the route of the motorcade at the last minute?
3. WHO was this Democratic Leader who insisted that Mr. Kennedy pass by downtown office buildings?
4. WHY did motorcade come to dead stop for 5 minutes?
5. WHO made the announcement 5 minutes before the "soft-nosed bullet" hit Mr. Kennedy, that the President had been shot?
6. WHO ordered the alert given to Military in Amarillo for every plane off the ground to head for Dallas, 15 minutes BEFORE the first bullet hit the concrete?
7. WHAT can Curry & Decker (who were riding in Pres. car) give as their reason for being in said car, besides: "In case of an emergency"?
8. WHO made the choice of Parkland Hospital in "case of an emergency" so they could take Mr. Kennedy there?
9. WHO was so thoughtful and obliging as to have a metallic bronze casket at their fingertips to put Mr. Kennedy in? (Without an autopsy)
10. WHAT was Jackie Kennedy doing on back of car?
11. WHEN, before the assassination or after, did "Jackie" cradle Mr. Kennedy's head?
12. WHAT was the secret service man doing trying to hop on a car standing still?
13. WHAT was the "secret service" man doing out of "jump seat" at this particular time in motorcade?
14. DIDN'T the Presidential Car have doors?
15. WHY did Vice-president Johnson say in Albuquerque, N.M., Oct. 6, 1963: "If you want to throw President out, wait until 1964"?
16. WHY was Vice-pres. Johnson completely omitted from any mention until he was aboard plane, and called Bobby Kennedy, asking "WHAT shall I do?"
17. WHAT was the "terrible argument" between Mr. Kennedy & Dean Rusk on the day each left Washington, D.C.?
18. WHERE did the "CLOSE RANGE SOFT-NOSE BULLET COME FROM", striking Mr. Kennedy BELOW adams-apple, taking an upward range, severing the spinal cord, "removing considerable tissue, leaving huge gap in the back of his head"???
- THIS, GENTLEMEN, IS THE CRUCIAL QUESTION.
19. WHY did Mr. Johnson promise the American people an immediate report? (Nov. 26, 1963)
20. WHY did Mr. Johnson rescind his earlier order & on Dec. 2, 1963 appoint a special committee, headed by Chief Justice Warren, just as recommended by the Communist WORKER? (Nov. 29, 1963)
21. WHY were all reports and findings of the F.B.I. turned over to Warren?
22. DID the Kremlin censor the reports & findings of the Warren Comm. before they were released to the American People?
23. WHY does not Dean Rusk want Llewellyn Thompson to testify?
24. DID Oswald spend 3 days at LBJ Ranch before going to work in Dallas?
25. WHO warned Johnson, minutes before assassination, to go back 5 cars?
26. IF NO CONSPIRACY, WHY DID JOHNSON ask news men to withhold Kennedy's death announcement until he, Johnson, was aboard plane? Death was instantaneous, as per doctors' report. A CONSPIRACY? A MILITARY COUP? The first report, "Kennedy and Johnson" killed. And no one of official status was left in Washington, D.C.

Tears That Cry to Heaven

READERS often ask why I am so interested in the Near East and especially the Holy Land. If I may be excused for the injection of the personal on this page, I would like to answer that question.

For three years I did postgraduate studies at the famous Ecole Biblique in Jerusalem under Père Lagrange and other great masters of Sacred Scripture as well as of the archeology, geography, and history of Palestine. We students studied every nook and corner of the city of Jerusalem. Afoot, on donkey, on horseback, and by car, we traveled back and forth over every mile of the Holy Land.

That was from 1925 to 1928. Palestine was an Arab country. You could travel from Gaza or Beersheba in the south to the borders of Syria on the north, or from Jaffa or Haifa on the Mediterranean you could journey eastward beyond the Sea of Galilee or to the Mountains of Moab and scarcely meet a Jew. There were a few. Tel Aviv was hardly more than a village. Some Jews had congregated in sections of cities like Jerusalem, Haifa, and Jaffa. A few agricultural colonies of Zionists were scattered here and there on the fertile plains.

But the people of the country were Arabs, the people who owned and cultivated the land were Arabs, the people of the towns and cities were Arabs. It was an Arab country, unquestionably and unreservedly.

Editorial business for the magazine brought me back to the Holy Land in the Spring of 1953. The southern, western, and northern parts of the country had been taken over by strangers from Eastern Europe whose only claim to the territory was that their ancestors had lived there 2000 years before. The plains along the Mediterranean and from Haifa to the Sea of Galilee, the only really fertile areas, covered formerly by Arab farms and gardens and vineyards and orange groves, were all occupied by these strangers. In the cities, the homes, the shops, the public services, everything had been taken over by the invaders.

Where were the Arabs who had been born here, whose ancestors had come into this land over a thousand years before, who had lived and worked and worshiped all their lives in this once peaceful part of the Holy Land?

They were gone. They were now huddled in forlorn refugee camps in Jordan, Lebanon, Syria,

and Gaza. I visited the refugees. Not all, to be sure, because there are nearly a million of them. Whole families—men, women, and children—were huddled together in the single room of a miserable hut or in tents. Many of them had been fairly well off. Now they were without property, without money, without work, living a day-to-day existence on a miserable dole from the U.N.

For nearly ten years now they have suffered this inhuman fate. The spirit seems gone out of them except when you mention their homes, or lands, or vineyards, or shops, and then they look over the hills to where they once lived, and their eyes burn with hatred and a thirst for revenge.

The Near East is important to the survival of the West because of its oil and its strategic position. But it is important to the West too because here an awful wrong has been done—almost comparable to Hitler's treatment of the Jews—and it has been done with our connivance and co-operation. If the blood of Abel cried to God from the earth, no less do the tears of these hopeless people. They know that our leaders helped to sell them into this misery, partly from ignorance but also for Jewish votes and for Jewish dollars in the coffers of the party treasury.

STATESMEN can talk as much as they like about the Gaza Strip and Aqaba, about the Aswan Dam and the Suez Canal and oil and strategy. It will all be to no avail unless we do something really effective to right this awful wrong, to make reparation for this crime that is almost genocide. This must be a first step toward real peace in the Near East.

If we fail, if we haven't the moral courage to expiate the sin we share with the Zionist invaders, we may share their punishment too. We could lose the Near East to the Russians and make war, possibly a losing war, almost inevitable. The anti-Semitism that would result would be a disaster not only for Israel but for Jews all over the world.

The blood of Abel didn't cry to God in vain; nor will the tears of the Arab refugees.

Green Beret, 5 Others from Here Are Killed

A Viet Nam casualty report issued by the defense department listed six Chicago area men killed in action last week.

Capt. Richard E. Legate, 28, a member of the army's elite Green Beret special forces, was killed in the central highlands near Kontum Saturday.

His wife, Elizabeth, who lives with her parents, Dr. and Mrs. Harley Cluxton Jr. at 955 N. Lake rd., Lake Forest, said he had intended to make the army his career.

Legate was his future wife's escort at the Passavant cotillion in 1962, and the couple was married at Bad Tolz, Germany, in 1965. Their son, Robert, was born 4 months ago.

Mother a Survivor

Other survivors include his mother, Mrs. Robinson Legate of Philadelphia; a brother, Frank, and a sister, Mrs. James Pickles.

Army 2d Lt. Thomas Utter, 23, of 224 Thurlow av., Hinsdale, was killed Thursday while on assignment with the 4th infantry division.

His brother, Chicago police Detective Robert C. Utter Jr., said yesterday their mother had received anti-war and hate literature in the mail at the same time she received Thomas' last letter.

The soldier's letter described the efforts of his unit to make friends of the Vietnamese children, his brother said.

The hate mail was sent to the FBI for investigation.

Career Soldier Killed

Army Staff Sgt. Raymond A. Rycko, 39, son of Mr. and Mrs. Charles Hrycko, 1514 East End av., Round Lake Beach, was killed in action Thursday. A career soldier, he had been in Viet Nam since October.

He was a 1945 graduate of Tuley High school and worked as a mail clerk in the main postoffice between enlistments.

Pfc. Daniel M. Taylor, 22, of 1836 Newport av., was killed Wednesday in fighting near the Cambodian border. He was the son of Mr. and Mrs. Lloyd J. Taylor and a 1964 graduate of Lake View High school.

Pfc. Taylor was drafted last May and had been in Viet Nam since November.

3 Brothers, 2 Sisters

Also surviving are his twin brother, David, brothers Richard and Donald, and two sisters, Gloria and Beverly.

Sp. 4-c Frederick W. Seput, 19, of 1049 Ardmore av., was killed by small arms fire on a helicopter combat mission with the 5th cavalry.

His mother, Mrs. Ottillie Seput, said the boy was born in Streator and attended Senn High school in Chicago. He was inducted last June.

Marine Lance Corp. John T. King, 20, of 301 Seneca st., Park Forest, died Thursday of wounds suffered in February in fighting near Quang Nam.

Surviving are his parents, Mr. and Mrs. Robert M. King Sr.; a sister, Mrs. Sharon Borak, and two brothers, Thomas and Robert M. Jr.

The dead marine was a graduate of Rich Township East High school and had attended Eastern Illinois university in Charleston before enlisting last April.

Anti-War Note Comes with Last Letter

The family of a soldier killed Thursday in Viet Nam was sent

Lt. Utter

anti-war and hate literature in yesterday's mail. It arrived with the dead soldier's last letter.

"It was brutal and in the poorest taste imaginable," said

Robert C. Utter Jr., a Chicago police detective and a brother of 2d Lt. Thomas Utter, 23, of 224 Thurlow av. Hinsdale, who was killed during a combat patrol mission near the Cambodian border.

"Most horrible of all," Utter said, "was that this trash was in the same mailbox yesterday with Tom's letter."

"Upset the Whole Family"

"My mother had just finished reading Tom's letter when she turned to the envelope containing this junk. You can't imagine how upset the whole family is over it."

Utter said more than a dozen pieces of literature was contained in the envelope, which bore a return address on South Union avenue.

"It was the type much has been written about, such as 'What are our boys doing in Viet Nam?' and 'Why help the commies kill our boys?'" Utter said.

Sent to His Mother

The literature was addressed to Mrs. Utter's home in Hins-

"You should have seen Tom's letter which we got yesterday," Utter said. "The kid said he thought he was doing the right thing in Viet Nam and said that he knew well why we were there. He wrote about how he and his boys would pass candy to little kids over there. . . . the smiles on their faces."

Robert Utter's wife, Helen, spoke of her husband's reaction to the letter: "He was so upset that he went outside for half-an-hour to try to cool off. You know, I heard about this type of thing before, but I never knew it could happen to us."

A friend of the family telephoned the Federal Bureau of Investigation and mailed the literature to it.

15. SUMMARY:

1. [redacted] telephonically advised that he and his wife had received in the mail offensive literature of an anti-Communist and anti-Semitic nature.

2. [redacted] was interviewed and she related that their son, [redacted] was recently killed in Viet Nam and this fact was reported in the press. She attributed receipt of the literature to this press obituary.

3. Four pieces of literature were received in an envelope post marked in Chicago. The literature was a newspaper, Common Sense, Union, New Jersey; a tract published by The Patrick Henry Brigade; a pamphlet published in Sweden picturing atrocities attributed to the Communists; and a single page document with no organizational identity that accused the United Nations of directing American strategy in Viet Nam which in the writer's view was tantamount to Communists directing American strategy in Viet Nam.

4. All the material was stamped with a rubber stamp name of Joseph DILYS, 3607 S. Union Avenue, Chicago, Illinois - 60609, the apparent sender of the material.

5. The tenor of all the material (see enclosures) were virulently anti-Semitic and anti-Communist, relating the two as one and the same and the immediate cause of the death of [redacted] son in Viet Nam.

COMMENT: Files of NAVINVSERVO-Chicago reflect that similar material has been disseminated with Joseph DILYS' stamp during the past six years. The originals of the enclosures are being forwarded to the Federal Bureau of Investigation Field Office, Chicago for possible referral to the U. S. Attorney since [redacted] have expressed their complete cooperation in pressing formal charges that may be appropriate against the sender of such material under these circumstances.

On 3/30/67, the writer turned over to Postal Inspector, [REDACTED] the "hate" literature which had been mailed by DILYS to Mrs. ROBERT C. UTTER.

[REDACTED] advised after checking records that the Postal Inspectors had received previous complaints of the same nature on DILYS. These complaints go back to 1961 and approximate 24 in number. Postal Inspectors have presented this matter regarding DILYS mailings to the USA at Chicago, in the past and were advised by the USA's Office there was nothing actionable in these mailings. The matter has also been referred to the Chief Counsel of the P.O. Department in Washington, D.C., and he similarly advised that there is no postal law prohibiting the mailing of material that defames a race, people or religion unless objectionable material would be on a postcard or exposed.

b6
b7C

Postal Inspectors have contacted DILYS in the past and have admonished him regarding these matters and he has advised them that he intends to continue to mail this material. According to [REDACTED] DILYS is a crippled individual who is living on his Social Security pension. He supplements his income by the sale of propaganda material.

JOSEPH DILYS

The Chicago American, dated March 28, 1967, contained an article on page two, column three captioned, "Green Baret, Five Others From Here Are Killed". This article informs that Army Second Lieutenant Thomas Utter, age 23, of 224 Thurlow Avenue, Hinsdale, Illinois, was killed Thursday while on assignment with the 4th Infantry Division. His brother, Chicago Police Detective Robert C. Utter, Jr. said yesterday their mother had received anti-war and "hate literature" in the mail at the same time she received her deceased son's last letter.

Joseph Dilys resides at 3607 South Union Street, Chicago, Illinois, prior address 714 West 30th Street, Chicago. He has no known employment at the present time. In the past he has been employed as a linotype operator in the Chicago area. Dilys was born on November 13, 1903, at Rokiskis, Lithuania.

He entered the United States at New York in September, 1951, and was naturalized in the United States District Court at Chicago, Illinois, on June 9, 1959. He received Certificate of Naturalization Number 8070070.

A second confidential source, which collects security information in the Chicago area, furnished information as of November 9, 1965, which reflected that Dilys has mailed "hate literature" which is anti-Jewish through the United States mails. He is described as a professional pamphleteer with a long record of anti-Jewish activities. Records of this source reflect that on April 23, 1962, Dilys was found guilty of mailing "hate literature" in Chicago Municipal Court and sentenced to a \$200 fine.

JOSEPH DILYS

✓ The January 26, 1962 issue of "The Chicago Daily News" in an article entitled, "Mental Test Ordered in Hate Case" reflects in part, "Municipal Judge Hyman Feldman, Friday, ordered a psychiatric examination for a man accused of mailing scores of letters containing hate literature and attacks against Jews." The accused is Joseph Dilys of 714 West 30th Street, Chicago.

"The New Crusader", a weekly Chicago newspaper, in the issue dated August 28, 1965, in an article captioned, "The Chicago Lowdown" reflects that Joseph Dilys continues to peddle Ku Klux Klan and a variety of vitriolic anti-Negro and anti-Jewish literature in the Chicago loop.

✓ Joseph Dilys, born November 13, 1903, Rokiskis, Lithuania, was interviewed by Special Agents of the Federal Bureau of Investigation (FBI) on February 9, 1961. Dilys advised he has always been against the Communist movement and displayed a wooden left leg, explaining that he had lost his leg fighting against the Communists in Lithuania during World War II.

Dilys also volunteered the fact that he was somewhat prejudiced against the Jewish people explaining that he felt they were responsible for the spread of Communism. He has in the past, received numerous copies of the publication, "Common Sense", which is published in New Jersey.

Dilys stated that although he has harbored this anti-Semitic attitude, he emphatically denied that he would be foolish enough to take part or to engage in the destruction of lives or property in an effort to display these anti-Semitic feelings.

JOSEPH DILYS

On March 31, 1967, [] United States Postal Inspector, appeared at the Chicago Office of the FBI and furnished some "hate literature" which was sent to [] family of [] Illinois, through the mails bearing a return address of Joseph Dilys, 3607 South Union Avenue, Chicago. [] explained [] that the [] son had been killed in Viet Nam while in the military service.

By report dated March 29, 1967, the Naval Investigative Service Office furnished information to the Chicago Office of the FBI that [] Chicago, had been the recipient of "offensive literature of an anti-communist and anti-semitic nature." The [] son who was in the United States Marine Corps was recently killed in Viet Nam which fact was reported in Chicago newspapers. [] believed they received the literature as a result of this press obituary. Said literature was received in an envelope postmarked in Chicago and bearing the return address Joseph Dilys, 3607 South Union Avenue, Chicago.

b6
b7c

On March 30, 1967, a Special Agent of the FBI furnished to Postal Inspector [] "hate literature" which had been furnished to the FBI in Chicago by the first confidential source. [] advised on March 30, 1967, that the postal inspectors had previously received complaints of the same nature concerning Dilys. [] further related that the postal inspectors have presented this matter regarding Dilys' mailings to the United States Attorney's Office at Chicago in the past and were advised by the United States Attorney's Office that there was nothing in violation of postal laws in connection with these mailings. This matter, according to [] has also been referred to the Chief Counsel of the Post Office Department, Washington, D.C., and the Chief Counsel similarly advised that there is no postal law prohibiting the mailing of material that defames a race, people, or religion unless objectional material would be on a postcard or exposed.

JOSEPH DILYS

According to [] postal inspectors have contacted Dilys in the past and have admonished him regarding these matters, and Dilys advised them that he intends to continue to mail this material since it is not unlawful. UNITED STATES DEPARTMENT OF JUSTICE
FEDERAL BUREAU OF INVESTIGATION

Chicago, Illinois

April 20, 1967

JOSEPH DILYS;
MRS. CHARLES M. SALK - VICTIM
EXTORTION - RACIAL MATTERS

On April 13, 1967, Doctor Charles M. Salk was contacted by a Special Agent of the Federal Bureau of Investigation (FBI) at his place of employment, 25 East Washington Street, Chicago, Illinois. Doctor Salk presented four pieces of printed literature and one envelope which was postmarked April 17, 1967, at Chicago, Illinois. The envelope bore the name Joseph Dilys, with a return address of 3607 South Union Avenue, Chicago, Illinois, and was addressed to Mrs. Charles M. Salk, 830 North Lake Shore Drive, Chicago, Illinois, who is the wife of Doctor Charles M. Salk. Doctor Salk stated that in view of the anti-Semitic, and "hate" type literature, the theme of which was "Communism is Jewish," the literature might be considered to constitute a threat against the person or property of Mrs. Charles M. Salk. A handwritten message was contained on one of the pieces of literature, written partly in German. Roughly translated, this read "Damned filthy swine of lustful Rabbis" and in English read thereafter, "Remember bloody Rabbi Adler in Detroit! David Green (Ben Gurion) is Hitler of Palestine," and ended with the Hebrew word "Shalom."

During the course of the conversation with Doctor Salk, he was advised that if his wife was in fear of her person or property or felt she needed protection, she should immediately contact the Chicago Police Department, Chicago, Illinois.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency; it and its contents are not to be distributed outside your agency.

JOSEPH DILYS;
MRS. CHARLES M. SALK - VICTIM

On April 10, 1967, the above facts were presented to Assistant United States Attorney Robert A. Galbraith by an Agent of the FBI. Assistant United States Attorney Galbraith stated there was no threat to injure the victim and no threat to extort the victim and declined prosecution in this matter.

On November 5, 1965, Chicago [] a source which collects security-type information in the Chicago, Illinois, area, furnished the following information regarding Joseph Dilys:

b2

Information reflected that Dilys has mailed "hate" literature of an anti-Jewish nature through the United States mails. He is described as a professional pamphleteer with a long record of anti-Jewish activities. Records of Chicago [] reflect that on April 23, 1962, Dilys was found guilty of mailing "hate" literature, by the Municipal Court, and he was fined \$200 as a result of this conviction.

The January 26, 1962, issue of the "Chicago Daily News," a newspaper of general circulation in the Chicago, Illinois, area, in an article entitled "Mental Test Ordered in Hate Case," reflects in part that Municipal Judge Hyman Feldman ordered a psychiatric examination for Joseph Dilys who was accused of mailing scores of letters containing "hate" literature and attacks against the Jews.

"The New Crusade," a weekly Chicago, Illinois, newspaper, in issue dated August 28, 1965, in an article captioned "The Chicago Lowdown," reflected that Joseph Dilys continues to peddle a variety of vitriolic anti-Negro and anti-Jewish literature in the downtown Chicago area.

TO WHOM IT MAY CONCERN:

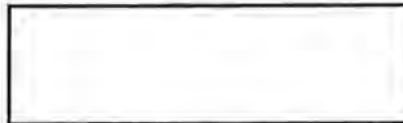

As an American citizen I am unqualifyingly against communism. I am also proud of the fact that I have a son who is serving in the U.S. Airforce.

b6
b7C

I am concerned over some mail which reached my desk. Although it seems to be material which is anti-communistic, it has some definite Nazi overtones. Perhaps you are aware of this material being sent through the mails. However, I thought perhaps it might be of value for you to have this as a reference. It would appear to me that the sending of such hate literature through the mail would be in violation of some of our existing laws.

I am not a Jew, nor do I claim to have any Jewish blood that can be traced to any of my ancestors. However, I am concerned over the unfairness of the material enclosed.

Sincerely yours,

RICHARD COTTON, who was formerly associated with Radio Station WEAU, Evanston, Illinois, spoke at Germania Club, 108 West Germania Place, Chicago, Illinois on June 2, 1967.

COTTON's speech, which was sponsored by the Pro-American Forum, was attended by approximately 200 persons. All individuals appeared to be from "ultra conservative" group, or "right wing" group.

COTTON, who is well known for his anti-Jewish attitude, defended NASSER and the Arabs. COTTON's dislike for the Jews was indicated to be stronger than his dislike for Communists. COTTON spoke against the Anti-Defamation League and against Jewry in general. COTTON indicated that although NASSER is a Communist, he still favored NASSER over the Jews or Israel.

The Pro-American Forum generally rents a room at the Fort Dearborn Hotel, but because of the large crowd to hear COTTON, rented hall at Germania Club. Meeting commenced at 8:15 pm on June 2, 1967 and terminated at 10:00 pm.

COTTON praised the Minutemen and DePugh and claimed the witnesses in DePugh's recent trial perjured themselves. COTTON claimed hands off Rhodesia.

Three males, identities not known, but who were introduced as being from the Arab Information Center, Chicago, Illinois, spoke to group and indicated reasons to be opposed to Jews and Israel.

The following persons were present at the meeting and appeared to indicate approval of COTTON's statements.

As you are aware, the NSRP is a hate-type organization. In the event a current Bureau-approved characterization of the organization is necessary, same may be requested of Savannah via routing slip.

THE SOURCE WHICH FURNISHED THIS INFORMATION MUST BE FULLY PROTECTED.

The fact that the NSRP has in the past repeatedly attempted to embarrass Special Agents and the Bureau, as well as the fact that it almost continuously criticizes the FBI in "The Thunderbolt", should be kept in mind during any investigation. YOU SHOULD ALSO BE AWARE THAT VARIOUS LEADERS OF THE NSRP HAVE SUGGESTED PLANS TO MAKE CITIZEN'S AWARE OF ANY INTERVIEWING SA, TO PHOTOGRAPH ANY SA SURVEILLING THEM, TO HOLD SA WITH USE OF FIREARMS, ETC.

No copy of this letter is being maintained by Savannah, although a copy of the check is maintained. The original of the check is no longer available to the Savannah Office.

OTHER INFORMATION CONCERNING DILYS

On October 19, 1960, the records of the Passport Office of the United States Department of State, Chicago, Illinois, reflected that Dilys was issued Passport Number 2383927 on August 16, 1960, at Chicago, Illinois. He indicated that he intended to depart New York City by air in September, 1960, for two months travel to Germany for a vacation and to visit relatives.

On November 9, 1965 a source, which collects security information in the Chicago, Illinois area, advised that Dilys had mailed "hate literature" of an anti-Jewish nature through the United States Mail. He was described as a professional pamphleteer with a long record of anti-Jewish activities. On April 23, 1962, he was found guilty in the Chicago Municipal Court of mailing hate literature and fined \$200. In connection with this case, the court ordered a psychiatric examination of Dilys. He was also arrested on July 17, 1967, in Chicago and fined \$50 for peddling literature.

The Chicago Office of the Federal Bureau of Investigation has received voluminous literature from 1960 to early 1968 indicating Dilys has mailed and otherwise distributed or sold offensive literature of an anti-communist, anti-Jewish, and anti-Negro nature. In several instances, he mailed such literature to relatives of persons killed while in the military service of the United States, after notices of their deaths appeared in the press. The theme of much of the literature is that communism is Jewish. In each instance, Dilys printed his name and address on the literature distributed.

An examination of the literature distributed by Dilys disclosed that it was published in various parts of the United States and in most instances, it consisted of the following publications: "Common Sense", which is described as "America's newspaper against communism", and is published in Union, New Jersey, by the Christian Educational Association; and the "Thunderbolt", which is labeled "a white man's viewpoint", and is the official publication of the National States Rights Party, Box 783, Birmingham, Alabama.

JOSEPH DILYS

✓ A second confidential source, who has furnished reliable information in the past, has advised that Dilys regularly attended meetings of the National States Rights Party (NSRP) in Chicago from June, 1966 to June, 1967. A description of the Chicago NSRP is attached hereto.

This source also advised on September 17, 1968, that he has known Dilys for approximately four years and that Dilys is active in extreme rightist groups. He said he believes Dilys' only regular income is from social security as he has no regular employment, however, he makes a few dollars selling white racist literature on street corners. He stated that he is considered to be eccentric and has no influence or following. People merely tolerate him and he has no propensity for violence. This source knows of no connections which Dilys might have outside of the United States or in Germany. He added, however, that it is possible that he may get some of his literature from Germany.

A third source, who has furnished reliable information in the past, advised that in November, 1967, Dilys contributed \$25 to the NSRP.

On September 16, 1968, a fourth source, who has furnished reliable information in the past, advised that he has known Dilys for more than 15 years and that Dilys continues to reside at 3607 South Union Street, Chicago, Illinois. He also stated that Dilys is not gainfully employed and believes him to be receiving social security payments, plus a few dollars from selling hate literature on street corners in Lithuanian areas. He said the Lithuanian people totally ignore him and consider him to be "a sick person". This source stated that he knew of no right wing contacts of Dilys in Germany or other foreign countries.

Dilys is described as follows from interrogation and observation:

Name	Joseph Dilys
Race	White
Sex	Male
Height	5' 7"
Weight	180 pounds

NATIONAL STATES RIGHTS PARTY
CHICAGO, ILLINOIS (NSRP)

A source advised on February 8, 1966, that the Chicago branch of the NSRP was located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

The above source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago branch of the NSRP subscribes to the policies of the National Office. The Chicago branch of the NSRP believes there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP believes that the Jews and Negroes should be exposed in their attempts to have integration between whites and Negroes.

A second source advised on January 17, 1967, the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, the Chicago branch NSRP vacated the premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On May 28, 1968, the second source advised the NSRP does not have a headquarters at Chicago; however, members have maintained contact with each other and plan to reactivate the group if civil rights demonstrations commence in Chicago.

"VILNIS" (Chicago, Illinois)

✓ 1. Found to be a "Communist Lithuanian-language newspaper," which "represents among the most important of all Communist publications in the United States. Its circulation exceeds that of the Daily Worker."

"* * * testimony established that Chicago is the headquarters for the largest of all the Communist papers, the Lithuanian daily, Vilnis, whose circulation of 32,000 daily exceeds that of the Communist Daily Worker. All of its principal officers have been identified as Communists. Several of its former editors are subjects of deportation proceedings."

(Committee on Un-American Activities, House Report 1182 on Communist Political Subversion, August 16, 1957, pp. 65 and 66; and Annual Report for 1957, House Report 1360, February 19, 1958, p. 36; see also p. 37.)

The above documentation is included on page 202 of the "Guide to Subversive Organizations and Publications," Revised and Published December 1, 1961, and prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C.

The "Daily Worker" was an East Coast communist newspaper which ceased publication on January 13, 1958.

March 18, 1969

It was learned that on Tuesday afternoon, March 18, 1969, a meeting was held in Parlor L on the 2nd floor of the LaSalle Hotel in Downtown Chicago, Illinois. He was hosted by KENNETH GOFF of Soldiers of the Cross from Engelwood, Colorado. It got underway about 3:00 pm and was entitled, "Special Seminar on Survival". About 14 people were in attendance. They included the following:

[redacted] CHARLIE ANDERSON, [redacted] about six women over 50 who are present at all GOFF meetings, two men in their 30's not seen in the past and several other people including a minister and a woman in her 30's. [redacted] is [redacted] who lives at [redacted] in Chicago, Illinois. He has attended NSRP functions over the past three years and is very active in numerous right activities in the Chicago area. CHARLIE ANDERSON is a man around 60 who has been active in right wing circles in the Chicago area since the 1930's. He has great recall about right wing names and groups for the past 35 years. The older women seem to appear at GOFF functions only. The two men in their 30's appeared to be from the South. They appeared to be working men. They had dress pants on and white shirts without ties. Neither gave any indication of knowing GOFF before today. The woman in her 30's had blonde hair and was about 5'7", 160 pounds. She was on the husky side. She was unknown to this observer but seems to have knowledge of the right in Chicago. GOFF took the stand for only a moment to say [redacted] will speak on survival and that he would have an interesting speech for the evening session and to be sure and join him in the evening. He then left the room for the next hour or so. [redacted] about 5'10", 160 pounds, brown crewcut hair and in good shape, [redacted]

b6
b7c

He is making this current Illinois tour with GOFF and teaches at GOFF's summer encampments in Colorado. He spoke for an hour on guerilla warfare. He stated there is nothing new in the field or in the field or taking over a city or country. He stated history shows the procedure have been used for four centuries. He stated you must gain control of; power plants, telephone centers, rail heads, water supplies, food warehouses, local police stations, radio transmitters (forget the downtown studios) military camps nearby. He stated that it was not vital to seize all of these points but just most of them. He stressed the power of a county sheriff in times of emergency and urged the audience to work keeping the system of county sheriff and aid to their power. He said little more and never made clear where the right wing enters the picture. He made clear the enemy would use these tactics but he gave no information on how the right could stop this while it was happening and gave no hint it was to be used to regain the country. He also gave no hint that it would be used against the current US Government. As usual in these talks the methods are discussed but never is it stated who will use them or how or when or why in the right wing. GOFF returned about 4:00 pm and together they answered questions. [redacted] asked about summer encampments. The first two week class starts on Sunday, June 15, 1969. The first week in July is their big one week of meetings etc and then they return to their usual two courses on Monday, July 7, 1969. [redacted] states he would be on vacation from Saturday, June 14, 1969, thru Sunday June 29 and would be in Montana part of that time and might stop by if only briefly on the return trip home. The trip would be by auto and [redacted] stated he might take a third week off too from June 30 thru July 6, 1969. GOFF welcomed all to join them.

b6
b7c

GOFF stated without reason or question, that he was not hiding DE PUGH. No one had mentioned it or even asked about the Minute Men when GOFF made the statement. He stated it as a joke saying; "I want to make clear I'm not hiding BOB in my back pocket or in a bunker at the ranch". "I'm not hiding HITLER either". He went on to say the FBI was present at the hotel today and at the Dearborn Hotel also. GOFF hinted they thought DE PUGH might appear at the meeting. Again GOFF laughing said; "BOB, if you're in the audience will you raise your hand". GOFF said no more about the Minute Men. About five pm the meeting was dismissed and [redacted] brought out some books. He stated he felt it was safe. They were all from the Combat Bookshelf of the Normount Armament Company of Forest Grove, Oregon. He had about six with him. They included the following:

Hand to Hand Combat with \$3.50 on it and bought by [redacted] purchased "Firearm Silencers" for \$4.00. These appeared to be the only books purchased. Also on were "Boobytraps" "Thompson Submachine Guns" and several other similar books. [redacted] talked with [redacted] for about a half hour. [redacted] asked about [redacted] but [redacted] said he had not heard from him in about three years. [redacted] stated they were forming a group in the Chicago area but that the process was slow in finding good people. [redacted] told him not to give up. [redacted] stated he was interviewed some time ago in Indianapolis while setting up "alliance groups" in that area. He said he was interviewed by two FBI agents. One of Italian extraction was middle aged and hostile in [redacted] opinion and a younger agent was with the other man. [redacted] stated that at one time they asked him if he was "GOFF's hatchet man." [redacted] said he became angry and asked where that statement had come from. The agents refused to answer but [redacted] asked if a local left winger he knew of had made the statement and the agents again made no comment. [redacted] states that several days later he received in the mail the original letter from the left wing leader he thought was behind the charge. [redacted] stated it was received in a plain wrapper and he believes the younger agent sent it to him and that he was friendly to his stand. All present left the room about 5:15 pm.

b6
b7c

The evening session started about 8:05 pm. The same room was used and it held about 60 people and over 50 were on hand. They included:

[redacted] joined now by his wife of Spanish descent, JOE DILLIES, [redacted] who sold literature at both meetings, plus all present for the afternoon meeting returned for the evening session. As usual for a GOFF speech about 80% of the people present were over 55 years old and know GOFF for many years. Many are never seen beyond a GOFF meeting. The GOFF speech was again marked by reference to DE PUGH in the same manner he had worked it into his afternoon remarks. GOFF took the NIXON Administration to task over various appointments and lack of action over the war. He urged his audience to not let up on their efforts just because NIXON is President. GOFF charged that one world government will be the major danger facing the USA in the next ten years.

b6
b7c

GOFF stated he believes a tax revolt will hit the USA soon. He charged that the best way to stop the nonsense going on will be to "cut it off at the tap". He did not urge the stopping of paying income tax but said it would "do the job". He detailed his current troubles with the IRS and his status with them.

I'm sending the enclosed along to you. I was given this at the German Day Picnic yesterday in Morton Grove. Some one was passing this paper out. It got many of the Germans mad and one came to me to see what could be done. All I could think of was to send it to you. Hope you can use it.

A ROSE BY ANY OTHER NAME IS STILL A ROSE . . .

Ten years ago we published an issue listing individuals in the field of entertainment and politics who have changed their names. Over the years we have had thousands of requests for this issue from every corner of the earth. Consequently, we republish this partial list of those who have changed their names, most of whom are identified with the liberal movement.

Many people are curious as to why such a large number of self-styled Jews change their names. This is not true of any other group, for instance, Polish — many have long names, difficult to pronounce or spell, but they do not change their names.

When the Jews were plotting from the "inside" of Germany to deliver that country to the communist Soviet Union, the changing of names became a serious problem. To meet this situation, provisions were adopted so that Jews could be identified.

Obviously, changing Bromberger to Bromberg or Moroz to Morris is not an attempt to hide Jewishness. Also, a Lauren Bacall can claim quite reasonably that Betty Bernstein is not a fit name for a "glamorous" motion picture star. But this is not the point. The following list of well-known persons who are all Jews and who did change their names is appended so as to inform the reader of their Jewishness, particularly when the name deliberately obscures the person's origin for no apparent reason. It is a well-known fact Jews dominate the entertainment industry.

Since no law presently protects us from the fraudulent and deceptive concealment of

WHY DID THESE JEWS CHANGE THEIR NAMES?

JOHN GATES (Israel Regenstreif), former editor of the Daily Worker, official organ of the Communist Party, and a former officer in the Communist Brigade in Spain.

CARL WINTER (Philip Carl Weissberg), present editor of The Worker. Winter was one of the "Convicted Eleven," in the 1949 trial of Eugene Dennis which, collectively, comprised the National Secretariat of the American Politburo. The "Convicted Eleven" were, next to Gerhart Eisler, also a Jew, the highest ranking communists ever convicted in the United States. Perhaps no other single event has served better to demonstrate the Jewishness of the American Communist Party. Of this "American Politburo" at least six were Jews: Jack Stachel (Jacob Stachel), John Gates (Regenstreif), Gilbert Green (Greenberg), Irving Potash, Gus Hall (Halberg), Carl Winter (Weissberg).

PHILIP BART, also Jewish, former general manager of the Daily Worker, refused to testify about his communist activities. He told the House Committee on Un-American Activities "it was none of their business what his name was before he legally changed it to Bart," according to an INS dispatch. (Know Your Enemy, page 5).

Were These Names Changed To Hide The Jewishness of Communism?

DID YOU KNOW?

DR. CHARLES E. SMITH, the government psychiatrist who railroaded General Walker into an institution in the now infamous Mississippi miscarriage of justice, is the son of a Russian Jew, and that his real name is Kantor. Smith admitted his supporting evidence was based solely on newspaper clippings, later ruled false by

CHARLIE CHAPLIN (Thonstein), friend of the Soviet Union, and foe of everything American, whose flagrant immorality degraded America, may soon land on our shores. The softening up process is on as the press attempts to prepare a favorable climate for this unsavory character. If this "Citizen of the World" attempts to land on American soil again we hope he will be met by a large un-welcoming committee of outraged Americans.

When Chaplin was on trial in Los Angeles 20 years ago, for "moral turpitude," a famous American lawyer, Joseph Scott, forced Chaplin to take care of his baby and one of the many girls he dragged down. The standards of this Zionist were spotlighted in the trial, when it was learned Chaplin had remarked: "I don't intend to support all the babies I have scattered around."

Westbrook Pegler (9/19/52), wrote: "Chaplin is not a citizen of this nation although he has lived among us and imposed upon us by flouting our ideals and degrading our morals and standards for almost half a century. If he ever should apply for citizenship during my lifetime I will intervene to oppose his naturalization on ground of moral turpitude."

Charlie Chaplin's record includes many Communist Front connections including: RUSSIAN WAR RELIEF, U.S. SOVIET FRIENDSHIP RALLIES, ARTISTS FRONT TO WIN THE WAR, NATIONAL COUNCIL OF AMERICAN SOVIET FRIENDSHIP, WORLD PEACE CONFERENCE (N.Y. WALDORF ASTORIA, April, 1949).

It is believed Chaplin paid many times for the use of Madison Square Garden for communist purposes. His opening address to the ARTISTS FRONT meeting in Carnegie Hall, Oct. 15, 1942, began with "COMRADES." Chaplin praised Roosevelt not as a leader but as the man "who released Earl Browder." He praised Harry Bridges invited

There was a total of ten recognized party members in attendance at the rally, five were in uniform and five wore Nazi arm bands. There was a crowd of on-lookers of approximately 125 or 150 persons. The overall majority of the crowd appeared to be anti-NSWPP. 60 per cent seemed to be against and about 30 per cent were for letting party members speak. The other 10 per cent were indifferent.

[redacted] (ph), who was formerly with the United Patriots International (UPI), was at the rally, as was [redacted] who belongs to a Right Wing organization.

Uniformed police were at Gage Park during the rally. No arrests were made. [redacted] started to speak but Chicago police advised that a permit had not been granted so took the microphone away from him. [redacted] also attempted to speak from the loud speaker system but the police shut it down.

b6
b7c

There was a mild skirmish at the scene when some neighborhood kids started a fight with some party members. Police immediately stopped it and there were no further incidents.

Enclosed for the Bureau are two Xerox copies of a list, consisting of 143 pages of names and addresses. Page 1 of the list appears to be a "key", explaining the status, position, group, etc., of those named in the list.

One copy of each page containing names of individuals residing in the respective field divisions and one copy of the key page are being furnished recipient offices.

This list is a portion of the material obtained by [redacted] from [redacted]

b2
b6
b7C
b7D

Kansas City has no information indicating when this list was prepared, however, there are pencilled notations appearing on the list showing corrections and additions made as recently as 1968. Many notations are made referring to networks and network directors. [redacted] initiated the network director system in early 1967.

b6
b7C

Inasmuch as no establish source or informant has furnished information indicating the true nature of the list, it should not be described as membership list, mailing list, contact list, etc.

Each office should handle those individuals listed on the enclosures according to Bureau instructions regarding investigation of individuals who are allegedly members of the MM organization.

The Kansas City Office believes that the dissemination of material in instant communication completes the comprehensive review and analysis of pertinent material. Three separate communications have been directed to the Bureau and interested offices, 9/5, 12, and 15/69. Because of the voluminous material reviewed, Kansas City has made no alphabetical listing of this material to date as there appears to be approximately 2800 individuals, residing throughout the United States and several foreign countries, involved.

The material disseminated under instant letter is believed by Kansas City to identify all of those individuals on whom material has previously been disseminated. Kansas City is aware that an alphabetical listing of those individuals

KC 62-7797

now identified with the Minutemen organization and/or Patriotic Party should be submitted to the Bureau in alphabetical form for appropriate indexing purposes and that this listing would be centrally located for easy reference.

There are approximately 2800 individuals involved in this project, and at the present time, this material is being alphabetized in Kansas City. At the earliest possible date this material will be forwarded to the Bureau in accordance with instructions outlined in Bureau letters to Kansas City, 9/16 and 18/69.

Bureau letter to Albany and All Offices, 8/7/69, set forth instructions that in the handling of all interviews, utmost caution should be used in approaching these individuals, as they can be extremely dangerous when approached by representatives of a law enforcement organization, especially the FBI.

"The Chicago Lowdown" by OMAR CLAYTON

EXCERPT:

JOSEPH DILYS is back at Loop street corners peddling anti-Negro hate literature. A native of Lithuania, DILYS entered the United States in 1951 as a "displaced person" from Germany. He lives at 3607 S. Union Ave., in Bridgeport. Sample of the poison he spreads: "When a Negro murders a white man or rapes a white woman, ask the FBI to step in and protect our civil rights and you receive a quick answer: 'This is not a Federal case, the FBI cannot step in, the state must handle the matter.' Absolutely none of the innumerable Negro robbings, muggings, attack or other violence has ever brought the FBI to investigate to determine whether or not the civil rights of white people have been violated! Our only summation can be that the FBI exists as a special private police for the personal protection of Negroes while they go merrily on their way creating a social revolution in the South. The Negro has FBI protection while he breaks local laws, customs and traditions of our White Folk! If we white people stand our ground and resist the black man's tramping over our rights, the FBI quickly sets out to intimidate us to give in, surrender, don't fight back, be a coward, etc. They question our members, plant paid enemy pimps within our ranks, follow people around etc."

[redacted]
It was learned that the United Klans of America held a meeting this evening at a store front location at [redacted]

The [redacted] meeting was to be at 6:30 pm to 7 pm but it did not start until after 8pm. It was delayed because Illinois [redacted] expected a group from Harvey Illinois to arrive but they did not. Present were 17 people. They included [redacted]

[redacted] Joe Dillys, [redacted]
[redacted] This was the first time this observer has met [redacted] at a UKA function. He has been seen in the past at other functions but it was not known who he was or that he was a UKA member. Also present but unknown to this observer was a young man called [redacted] He looks very young and it appears he is with [redacted] group in the Cicero area. He looks about 17 but it is believed he is in his early 20s. An Italian named [redacted] was also present. This man appears to be in his late 30s. He spoke in very ~~violent~~ violent manner of killing blacks. It appears he lives in the Austin area of Chicago as he spoke of troubles in that area. He stated he first met [redacted] in the Wallace election race. This man is about 5:9 and 160lbs, Black hair and dark compl. This man gave no indication of any past violence on his part or any future plans but he stated on numerous occasions

that the UKA must use violence and now is the time to start and he was willing even if it meant prison. The man appears capable of violence but this observer has never met the man in the past of nothing is known of him. Five or six other, unidentified men were also present. About 4 were young men of about age 20. They were poorly dressed and educated. The other person present was a man of about 50 years of age. Their names are unknown. Wearing robes were [redacted] [redacted] wore the black robe or a "night hawk". [redacted] wore the robe of an "E. C. (Exalted Cyclops) The others wore just "klansmen" robes. [redacted] wore a red robe and everyone seemed confused as to what that meant and [redacted] admitted he didn't know either but it was what [redacted] had ordered for him. [redacted] started the meeting by admonishing the Cicero area klansmen for their encounters with the press in an effort to gain publicity for the UKA. [redacted] stated that Robert Shelton does not approve of this type action by Illinois UKA people. [redacted] states he agrees that it is risky in a northern state. [redacted] charged that because of their action FBI contacts have been made to UKA members.

b6
b7c

April 11, 1970

[] reminded [] that one of his people had been "hit". [] It was agreed at the meeting that no further contacts with the press or media would be considered without contact of [] and Robert Shelton. [] stated during the evening that it appears Robert Shelton will not make a Chicago area appearance as he fears arrest if he enters the state for a meeting.

b6
b7C

[] then proceeded to hint that Shelton might enter the state undercover with a last minute secret meeting being held without UKA members knowing until they arrived at the meeting. [] called on all UKA members to join the UPI and NSRP in picketing the Jewish Bond drive dinner in Mid May. It appears the UKA might turn out a dozen people for that Sunday night picket next month. Further details will be discussed later. [] also called on UKA members to aid [] in []

[] stated that the UKA, NSRP AND UPI will use the building together and will share in its expense. [] also stated that the UPI, NSRP AND UKA will together publish a newspaper once a month with a 100,000 press run. [] believes \$500 a month will cover its cost as [] will print it [] states all three groups will share in its cost and will contribute

articles to the paper. This is another [redacted] plan that may well fail to get off the ground for numerous reason including finances. [redacted] believes the paper alone for 100,000 press run of an eight page paper would total \$1,000 a month. A collection was taken with \$20 to \$30 collected. The funds to be used for the rent and newspaper fund. No new FBI contacts were discussed during the evening. No future meeting date was discussed and UKA members were simply told to recruit! No action plans beyond the picket were discussed. The meeting ended at about 10pm.

TEARFUL OBSERVATIONS

The campaign to destroy the name of Christ has intensified. It has always been inspired by hate, resulting in murder, smear and blasphemy. Read the following summary.

1. The Jews financed the campaign to abolish the right to pray in a public institution in America, including the schools.

2. Under Jewish pressure, a campaign has been started in America which was launched in Massachusetts, forbidding school teachers to say "Merry Christmas" in a school room on the grounds that it honors Christ.

3. Under Jewish leadership a campaign was started in Washington, D.C. to forbid the portrayal of the Nativity Scene on public property.

4. A world-wide boycott has been organized to prevent people from seeing the Passion Play in Oberammergau, Bavaria this coming Summer.

5. The Jew-controlled press, television and radio have mobilized to smear me and destroy the influence of the great Passion Play which is presented each summer on Mount Oberammergau in Eureka Springs, Arkansas. This sacred presentation takes place near the giant Statue, the Christ of the Ozarks, and has been established by our family.

6. A Jewish campaign has been organized to remove the Cross from every piece of public property within the borders of the United States. A big campaign was launched against the giant Cross that stands overlooking the City of Eugene, Oregon. The court has ordered it torn down.

7. Under Jewish pressure, the crosses have already been removed from Army and Navy chapels.

8. The Jews have captured the sacred shrines in Palestine, including the place of Christ's birth, burial and resurrection and no person on earth can even visit these shrines, which will eventually be destroyed, without paying tribute to the Jews. They refuse to give these shrines back to the world which they captured with genocide, slaughter and aggression, even murdering the Christian minister who guarded the Tomb of Christ.

(Over)

9. The Jew-controlled information media in a campaign to substitute the word "Yule" for Christmas hoping that they can destroy the use of those letters C-H-R-I-S-T.

10. Under the Jew-controlled commercialism of the Christmas season, it is very difficult to find a Christmas card that glorifies the name of Christ, even though it is His birthday.

11. The profane book stores and commercial publishers of the world are loading themselves with thick books designed to belittle the name of Christ and deny His deity.

12. It is permissible to teach atheism and pornography (in the name of sex education) in our educational system, but against the law to pray.

13. The Jews have been assured by the Post Office Department that no more Christmas stamps will be published.

14. Believe it or not, the United States Army has ordered the chaplains to eliminate all reference to God and religious philosophy in their lectures aimed at instilling moral responsibility in soldiers. (This report was put out by the Associated Press on March 28, 1969).

This campaign to evaporate the name of Christ from our civilization is scientifically organized and highly financed. No Christian American can be true to his God or his Country and ignore this diabolical campaign to crucify our Lord anew. The same hate that inspired slaughter of the infants when Jesus was born survives today in a campaign to 'slaughter' the Christ of the 20th Century. **Support This**

It was learned that Kenneth Goff, Director of Soldiers of the Cross held two meetings today at the LaSalle Hotel in Chicago. With him was [] of Saint Louis. Goff appears to have aged a lot within the last year and since his last Chicago visit. [] admitted he was with Goff to aid him.

The afternoon session got underway at 3 pm with 38 people present. As usual the people who attend Goff meetings are rarely seen at other right wing gatherings, and it appears the names on the Goff mailing list are not on other Chicago area mailing lists. Again, as usual, over 90% present are over 55 years of age and most know Goff for 20 years or more. [] led off the afternoon session. He charged that a full scale revolution was now in progress in the United States. He charged that his life had been threatened on several occasions within the past year. He spoke of racial troubles in his home area of St. Louis. [] stated that total revolution could come at any moment. He stated this would mean loss of water electric, police etc. He

b6
b7C

August 26, 1970,

urged all present to learn survival t-ips. This he said he would explain in detail at the evening session. [] closed by stating that donations were at a 22 year low for his group and Soldiers of the Cross . Kenneth Goff spoke only briefly at the afternoon session as he only answered a few questions from the audience. Those present and known to this observer included []

b6

[] . Only one new Goff publication was noticed. It is "Communist Guerrilla Warfare". On [] literature table were two types of tear gas weapons. One was a 22 cal. hand gun tear gas weapon and one was a aerosal can type of tear gas dispenser.

The evening session started at 7:30 pm with 81 people on hand. Again [] spoke first and on Survival. He urged all present to keep a shot gun for a home defense weapon. He stated that all water will be lost when the revolution starts. He urged that preparations be made for a water and food supply in all homes. In brief

August 26, 1970

b6
b7c

[] stated that a full scale revolution would continue to sweep the USA and all Christians must prepare to defend their home and country. He had no anti Jewish statements and his scorn was reserved for blacks and new left movements. Kenneth Goff concluded the evening session as he charged that Russian missiles were being installed in Mexico near the USA border. He stated he intended to check this out soon. Goff also stated that the USSR was backing Jewish interests in the mid East and the USA was too. Goff made no mention of the Minutemen as he has over the past year or two. Goff appears tired and dozed off several times before he spoke during the evening meeting. Goff stated he will spend this winter in Wisconsin and not Colorado as has for many years. The Goff speech offered little new or different from his usual offering. The evening meeting saw [] present. The man distributes as much anti Jewish anti Black literature as anyone in Chicago. Joe Dillies supplies him. []

September 27, 1970.

It was learned that [redacted] attended one of the regular Sunday night United Patriots International meetings that are held each Sunday evening at [redacted]. About ten people attended including [redacted]. [redacted] Nazi party leader, was also present with one of his followers. It has been learned [redacted] have been working very closely in the past three months and [redacted] has allowed [redacted] to use his mineo-graph equipment and other material. [redacted] of the UKA was also present. Joseph Dillies was also on hand. Two middle aged couples were on hand and several boys in their late teens were present. They appear to be from the immediate area. [redacted] spoke for an hour on racial purity and lack of ability and mentality in non-white areas. He stated the white race must be organized to prevent "race mixing in any form." It appears [redacted] is doing little beyond the Sunday night sessions which draw six to twenty people on average. He gave no hint of any pickets or passing of literature or any outside activities. It would appear that if [redacted] calls upon [redacted] for man power aid in any near future raid or activity that [redacted] would be hard pressed to produce as many as six young men for such a project. During the evening [redacted] introduced himself to [redacted] and admonished him for not meeting him at the Nazi offices the preceding day. [redacted] stated that when he travels an hour each way from [redacted] to donate funds for a party he has not even joined, he expects the leader to at least spend a moment to say thank you. [redacted] apologized and stated he had just gotten into the bathtub when [redacted] had arrived. [redacted] continued that he had started to write a letter to [redacted] to thank him and return the check for a new one. [redacted] stated he was unable to cash a check not made out to himself as no bank would cash drafts made payable to his groups name - National Socialist Party of America.

no more than 25.00 Dollars was in the box at the end of the collection.

The meeting ended at 10:00pm, no effort was made to cause those present

to resort to violence, [redacted] did during his talk say "Keep your

I debated as to whether or not I dared release the following confidential summary. It came to me from the most important research personality in America, who has established to his satisfaction that the source of the following information can be found in an official Governmental report. If anyone is tempted to think I am an alarmist because of my apprehension concerning the future of America, let him read this report and weep and pray.

1970 Bombings to continue.

Attacks on police to increase.

Arson to increase.

Objective: Create fear among the people. Destroy confidence in police and reduce effectiveness of police by making them afraid.

Towards end of 1970 kidnapping of public officials and their families to start.

1971 Kidnappings increase and become major problem in country. Delayed action bombs set in public buildings and schools. Late night attacks on homes in random neighborhoods by roving groups who machinegun and fire bomb individual homes. Create fear, officials will be unable to deal with problem and people will have little confidence in elected officials and ability of officials to defend country will be seriously impaired.

Late in 1971 attacks on school busses will begin. Then school attendance will fall sharply. More terror.

Around Christmas time sniper activity will become cause for concern, people will not be safe on streets and freeways.

1972 Sniper activity will increase markedly.

Bombings of electric power stations and transmission lines will increase.

Sewage treatment plants will be blown up.

Refinery fires will start. Great huge holocausts when they burn, this will increase terror and fear.

Mass migration out of heavily populated areas will begin.

Demands will be made to protect the people. Government will be unable to deal with the problem.

Toward the end of 1972, after the elections which will be accompanied by much bloodshed, food warehouses in large city areas will be blown up and food shortages will be severe.

1973 Blowing up of water plants and lines will cause panic as great areas are without water.

When water supply is destroyed, arson will be on large scale and widespread.

Great sections of cities will be wiped out.

Utilities, Gas, electric and phone facilities will be bombed out and destroyed. Panic will start, there will be disease, riots and violence.

Population will be out of control.

Government will appeal to USSR to send in troops and restore order in USA.

TEARFUL OBSERVATIONS

The campaign to destroy the name of Christ has intensified. It has always been inspired by hate, resulting in murder, smear and blasphemy. Read the following summary.

1. The Jews financed the campaign to abolish the right to pray in a public institution in America, including the schools.

2. Under Jewish pressure, a campaign has been started in America which was launched in Massachusetts, forbidding school teachers to say "Merry Christmas" in a school room on the grounds that it honors Christ.

3. Under Jewish leadership a campaign was started in Washington, D.C. to forbid the portrayal of the Nativity Scene on public property.

4. A world-wide boycott has been organized to prevent people from seeing the Passion Play in Oberammergau, Bavaria this coming Summer.

5. The Jew-controlled press, television and radio have mobilized to smear me and destroy the influence of the great Passion Play which is presented each summer on Mount Oberammergau in Eureka Springs, Arkansas. This sacred presentation takes place near the giant Statue, the Christ of the Ozarks, and has been established by our family.

6. A Jewish campaign has been organized to remove the Cross from every piece of public property within the borders of the United States. A big campaign was launched against the giant Cross that stands overlooking the City of Eugene, Oregon. The court has ordered it torn down.

7. Under Jewish pressure, the crosses have already been removed from Army and Navy chapels.

8. The Jews have captured the sacred shrines in Palestine, including the place of Christ's birth, burial and resurrection and no person on earth can even visit these shrines, which will eventually be destroyed, without paying tribute to the Jews. They refuse to give these shrines back to the world which they captured with genocide, slaughter and aggression, even murdering the Christian minister who guarded the Tomb of Christ.

(Over)

9. The Jew-controlled information media is in a campaign to substitute the word "Yule" for Christmas hoping that they can destroy the use of those letters C-H-R-I-S-T.

10. Under the Jew-controlled commercialism of the Christmas season, it is very difficult to find a Christmas card that glorifies the name of Christ, even though it is His birthday.

11. The profane book stores and commercial publishers of the world are loading themselves with thick books designed to belittle the name of Christ and deny His deity.

12. It is permissible to teach atheism and pornography (in the name of sex education) in our educational system, but against the law to pray.

13. The Jews have been assured by the Post Office Department that no more Christmas stamps will be published.

14. Believe it or not, the United States Army has ordered the chaplains to eliminate all reference to God and religious philosophy in their lectures aimed at instilling moral responsibility in soldiers. (This report was put out by the Associated Press on March 28, 1969).

This campaign to evaporate the name of Christ from our civilization is scientifically organized and highly financed. No Christian American can be true to his God or his Country and ignore this diabolical campaign to crucify our Lord anew. The same hate that inspired slaughter of the infants when Jesus was born survives today in a campaign to 'slaughter' the Christ of the 20th Century. **Support This**

Chicago, Illinois 60637

Write for our
catalogue of books.

On October 10, 1964, in the New Crusader, No. 18, page 3, there appeared an article called "The Bridgeport Riot", which is false and which hurt me very much.

Going by the democratic principle, so that you could inform your readers more truthfully, I am asking you to publish my article in the near future and place it approximately in the same spot as the one of October 10, 1964 called "The Bridgeport Riot."

When Hitler was organizing "The New Europe" and when his military forces were in native Lithuania, I was no idolator of his and the name of Quisling cannot be applied to me. There is the indisputable truth that there are too many quislings of the bloody communism. One of the more famous quislings of the bloody communism is Rev. Martin Luther King.

Of course, there are many of my brother Lithuanians who would fall into Rev. King's category.

And how I conducted myself under Hitler's military regime would not be very difficult for you to find out from the following persons, of course, if you are interested in the truth: Mr. Simon Zarkin, 5419 W. Van Buren, Chicago, Ill. 60644. Tel. 465-1521, and Mr. Hyman Feldman, 305 W. Fullerton, Chicago, Ill. 60614. Tel. 935-0957, Judge of the Municipal court. Both mentioned are Jews.

If the "Bridgeport Riot" were of my making, that would have been a great honor to me.

It's a pity that I found out about it only the following day from the newspapers. It would be an honor to me, because the so-called "riot" ended very smoothly: only one window was broken and there were only a few policemen's helmets damaged. Also, because the helmets are bought from taxpayers' money everything ended up like in the old tale - "Our potatoes - Our pigs." There were worst endings to those revolutions which were not organized by me, but which were organized by the Jews, such as in Rochester, New York City and, of course, the one near Chicago.

The losses in these were counted in millions of dollars. Who will pay for them? The taxpayers, who else?

It's true that I came to the United States from Munich, Germany, in 1951, legally, and I am now a fully pledged American Citizen, but millions of Jews came to this country even before me and they are still coming, of course illegally.

I told not one that we shall chase the Negroes out of Bridgeport. I was not even thinking about that, because I do not hate Negroes and I don't have the slightest feeling of hate for them.

The way Hitler handled the Jews in Lithuania, I would not wish to a dog, much less human beings, including the Negroes, which I consider the same kind of people as others. My relationship with Negroes is very good. When I was arrested in 1962, and I was waiting for a verdict in the courtroom of Judge Hyman Feldman, I saved the life of a Negro who was sitting next to me. On the same day I and all the arrested Negroes were shipped to the prison (officially called the house of correction) and when I had my artificial leg off and I could not get up top bed, a Negro would lift me up there every time. For that I gave him all the cigarettes that I was getting, because I don't smoke. Nowadays, when I was walking downtown Chicago with sign on me selling true newspapers about communism.

and their leaders, who do you think are my best customers? Of course, Negroes. They buy most of the newspapers from me that I sell and they are praising those newspapers for telling the truth.

The way Hitler was handling the Jews most of the people know by now; but only a handful of people know how the Jews were handling the Russians, and other people in Russia, even before Hitler's time. They handled them the same way as Hitler handled them! Even now the Jews are handling people the way Hitler handled them in the following countries:

In Palestine -- Arabs
In Lithuania -- Lithuanians
In Germany -- Germans
In Hungary -- Hungarians

and every other place where they have the top rung on the government ladder. They are handling people the same way that Hitler handled them. Maybe it happened that way, because Hitler was a grandson of a Jew and his right-hand man Eichmann was a real Jew, but a Christian.

Also we have to remember that the ones who took the Polish Officers to the Katyn Forest and shot them were ordered by the Rabbis. Communism is a tool of Zionism. Zionism is the Jewish Nazism, of course, a lot older than Hitlerism. Hitler was a student of Jewish communism.

The conversation about Mayor R. J. Daley, that your correspondent placed in the newspaper was correct, that is what I told him. And after I read that part of the article, I remembered a young man (most likely a Jew) who was talking to me on this theme (on Randolph and Michigan Ave.), but he did not tell me that he was a reporter, and that he wanted to place an article in a newspaper. The last statement that I made I will go into in more detail:

Chicago is not ruled by our elected Mayor R. J. Daley, but is ruled by the millionaire Jews and their (spiritual leaders) Rabbis. The Mayor is only their puppet, because in case something goes wrong there shall be someone to blame. The Jewish representative to Mayor Daley and the Mayor's boss is Colonel Jack Reilly. (About this gentleman (Mr. Reilly) I could write an interesting history.)

Not only Chicago, but the whole United States is ruled not by presidents (as people are thinking). The real rulers are Jews appointed by millionaires and Rabbis. If any of the presidents begin to disobey their Jewish Advisors, they are liquidated; good example is what happened to: John F. Kennedy, General Walker, and many others. Remember that all Revolutions, all outrages, all wars since the year of 1770 were organized by the Jews. All Wars at present, all massacres, attempts on life (General De Gaulle), Berlin's Wall and many other terrible happenings are executed by the Jews who in turn are lead and planned by their devilish Talmud Apostles Rabbis. President J. F. Kennedy was shot by Dallas Rabbis who in turn were ordered by their newly elected "King" Levi Eshkol (New Broom-Sweeps Cleaner). Young man Oswald was only specially trained, and prepared tool, who in turn was shot by Maxwell Street Jew named Rubinstein (Ruby) (also ordered by Rabbis), so that the true offenders would not be betrayed. By any means I am not saying that all of the Jews of Maxwell Street are murderers, but by the same token Rubinstein is not the only one that falls into the murderers' category. But there is no guarantee that some of them who are still running their businesses on Maxwell Street may be waiting for a similar order, therefore, we have to watch out for all of them.

I don't believe I ever said, and I did not read in any book which stated that all the Jews are communists, but there is an indisputable fact that all of the spies (not only in the United States but in the whole world) are Jews. I know a few Jews who are truly anti-communists, but they could be spies without

Reproduced by Western Front
The U.S. and Jewry
1964

knowing it for themselves - the Rabbis require that from them (to be spies).

I am always talking about it, but with this writing I am confirming that 90 percent of all the Rabbis are the "Führer" leaders of communism. Communism is the religion of Jews (Rabbis).

Hundreds of years ago, the Jews (purchasers of slaves) were catching free Negroes in Africa and conveying them to the United States and was selling them like animals and therefore themselves became millionaires.

Nowadays, the free children and the grandchildren of the former slaves are being instigated against the White peoples. Torments and the price of Negroes' blood are trying to make the United States and the whole world a communistic inferno.

All that I write here is very true and every truth-seeking citizen could prove it for himself by reading the following truth-telling books and magazines, which are written by educated persons and whose books and magazines are criticized by nobody because of their truthfulness:

(1) **The Rulers of Russia** by Rev. Dennis Fahey (\$1.00), printed by Regina Publications, 5 Cavendish Row, Dublin 1, Ireland; obtainable in United States at **Common Sense** Editor, P.O. Box 807, Union, New Jersey 07083, and other places.

(2) **The Secret World Government** by General Spiridovich (\$3.00); **Talmud Unmasked** by Rev. Pranaitas (\$1.00), obtainable at **Thunderbolt**, 6263 Savannah, Georgia 31405.

(3) **Under Jewish Rule USSR** (\$1.00) by Ivan Petrov, P.O. Box 927, Union, New Jersey 07083 (in Russian and English languages).

(4) **The International Jew** by Henry Ford (\$3.00) obtainable at **The Cross and the Flag**, P.O. Box 27895, Los Angeles, California. 90027.

(5) **Jewish Ritual Murder** by Arnold S. Leese (\$1.00) and **Der Stuermer** (in German language 50¢) obtainable at **National Christian News**, (Rev. Potito), P.O. Box 1739, Ocala, Florida 32670.

(6) **Protocols**, book form (\$1.00) obtainable at all the above addresses. In newspaper form (25¢) also obtainable at **Joseph Dilys** and at **Thunderbolt**.

(7) **The World Conquerors** by Louis Marchialko, (\$3.00) obtainable at **Omni Publications**, P.O. Box 216, Hawthorne, California 90250.

(8) **The Jews and Their Lies** by Martin Luther (50¢), **The Key to Christian Understanding** by Rev. G. Winrod, Gainesville, Mo., 65655. \$2.00

(9) **World Revolution** by Nesta Webster (\$6.00) and **Brainwashing in the High Schools** by E.M. Root (\$4.50) obtainable at **The Councillor**, 228 Oil and Gas Bldg., Shreveport, Louisiana 71103.

I only listed above the literature for you to read first in order to find out what communism is, who planned it, what future plans communism has (Protocols), who commands communism and who is spying for communism. Those who never read any of the listed literature are complete illiterates in the field of communism, even if they were geniuses in other branches of science. If the above listed literature is studied carefully, it would be equivalent to a grammar school education in the field of communism. For more advanced studies on communism anyone can find more literature. For more truth-telling literature or for more addresses, write to me or obtain the book called "First National Directory" (\$3.00) at **Alert Americans Associates**, P.O. Box 1222, Los Angeles, Calif. 90053.

Even if your newspaper reporter was not at my house, he wrote the truth by saying that I have at my place a lot of good literature which is giving the pure facts and not by any means "hate agitation and propaganda" as he wrote in the article of October 10, 1964. Truth is not hate, but a lie is hate for sure.

If anyone finds that the literature distributed by me or any other book is not telling the truth, one is welcome to criticize me or it through newspapers by stating the name of the literature, its address, newspaper number and article, and their kind of criticism. Mail to me, and I will be very thankful. In this case it is essential to list the name of the literature and the addresses on which the criticism is based. Up until now I have not seen any criticism on any of my distributable literature but I have heard a few curses. Curses are not criticism. Nobody criticized me in newspapers for distributing the truth-telling literature, but I have seen many articles in newspapers praised. The most important thing is that by distributing truth-telling literature (which is not obtainable at any other place in Chicago), I am making a living for myself, because I cannot get another job because of being an invalid even though I am a lino-type operator by trade.

Also I am distributing my literature by mail. Whoever sends me a dollar or 2 so, I in turn mail him for the whole amount all kinds of literature. Heavy books I do not distribute. Almost every beautiful day I walk in downtown Chicago with the Sign on my back and front which reads: **Communism is treason! Fight it with Common Sense! Buy it here! Victim of communism!** (see **National Christian News**, No. 5, page 4.

There is the indisputable fact that I was a Partisan (Underground Freedom Fighter). It was disclosed to Judge Hyman Feldman early in 1962 and there nobody denied it because I had two Jewish witnesses who knew about that very well.

Truthfully, I have many various and important literature from about 30 different places which anyone could obtain for a token price and be made a believer. All alone I wrote only a small page "Let's Fight Against Communism!" where I listed 31 addresses where the truth-telling literature can be obtained!

The value of that Page alone is greater than "Encyclopedia Britannica," regarding communism.

All the other literature distributed by me is written by other authors so truthfully that nothing can be added to them. Just distribute them.

I have written very little here. If you find my article of any value to you and if you need more information about my experiences, please do not delay to write me asking questions that are of interest to you. Then I shall write more about it in detail.

At the beginning of your article you mentioned the word "Quisling." I know that many of your readers do not understand what that word means. Please define that word more in detail to your readers.

If you have no expert in that category, I could define it for you.

If you print this article in your newspaper the way I have written it everything will be O.K., and there shall be no further pretensions on my part. Otherwise I reserve the right to take other actions.

Very truly yours,

Joseph Dilys

SACRED PLACES IN PALESTINE

Editor's Note: Below we carry the complete signed statement of Archbishop Diodoros of Hierapolis, Greek Orthodox Archdiocese of Amman, Jordan dealing with the destruction of churches and holy places by the Zionist Jews who have seized the Holy Land. This statement is up to date having been released the 14th of April, 1970.

Please allow me to introduce myself to the venerable Commission:

I am the Greek Orthodox Archbishop of East Bank of Jordan, I am in Amman since 1962, I have been in Jerusalem since 1938. I am a Jordanian Citizen, originally from Greece.

I have the pleasure and honour to submit to the esteemed commission the following facts in addition to the facts I have offered to the U.N. Human Rights commission on 18th August 1969 of which I am attaching a copy, to declare the truth and to help you in your noble mission to investigate the truth and do justice to a people who had been the victim of a political expansive Zionism since many years.

1 — GREEK ORTHODOX CHURCH (Nativity of JOHN the Baptist) EIN KEREM (Near Jerusalem).

Although the windows, doors, seats and Ikons were smashed, yet the ceiling and roof of the Church were also demolished. Heaps of garbage and dirt were placed inside and around this building.

The tombs were unearthed, and the corpse of the parish priest and of others buried nearby were exhumed, bones and remnants of their bodies were thrown away in between the piles of garbage and in the streets and the place has been transformed to a public lavatory.

2 — CHURCH OF THE AGED PROPHET SIMON at KATAMON, JERUSALEM.

On 5/3/1970 the Jews practised an act of burglary on this old convent with an attempt to steal all the valuable antiquities (Ikons) after having broken the main door, but the alertness of the Abbot disabled the thieves from performing their objective.

The wall around the convent was gradually demolished and the stones stolen, thus converting the convent courtyard to a play ground for the Jewish Children and a rendezvous for their teen agers.

3 — ST. MICHAEL CHURCH, JAFFA.

This Church, renown for its antiquities, has been set on fire by the Jews and the remaining skeleton (4 walls without a roof) has been surrounded from all directions by Night Clubs and Cabarets.

The courtyard of the Church is now being used as a rendezvous for lovers by the clubs visitors. Thus desecrating the holiness of this sanctuary and the members of the Greek Orthodox Community in Jaffa are hesitant to visit this Church and the convent owing to its disgraceful state.

4 — Bisan Greek Orthodox Church. (Beit-Shean.)

The sanctity of this worship place has been violated and converted to a public lavatory. The Greek Orthodox Patriarchate was then forced to block the main door with solid masonry to prevent Jews from using this place as a lavatory any more.

5 — CAESARIA. (Keisariah).

Amongst the historical ruins of this old town there was a house used as a convent and a Church which belonged to the

Greek Orthodox Patriarchate, but the Jews have completely and totally eradicated them.

6 — Greek Orthodox Cemetery on Mt. Zion.

Jewish authorities have lifted graves marks, smashed crosses and finally unearthed the dead bodies lying in that old cemetery. The Patriarchate is now endeavoring to repair these damages, if this has not already been done.

7 — Ill-treatment of Clergymen.

Many Clergymen have been subjected to disdain and contempt through spitting and unmodest utterance.

Many Bishops, Clergymen & Nuns have been openly despised by spitting on the crosses and Ikons hanged on their chests. Names of such bishops are available if required.

8 — Lack of Decency.

The Jewish Youths normally appeared in rakish forms, undressed or rather naked, a practice which characterizes the Jewish Society, but which might unfortunately threaten and cause serious effects on the new generation of the conservative Arab Society.

The growing numbers of night clubs in the old city of Jerusalem, for the first time in its long history, are now attracting the indigenous inhabitants — Arab young men — to such dissolute eves which don't pertain to any sense of character or religion and which have shaken and weakened the roots of Faith, which was the brand of the Arab Society.

The existence of Jewish entity in the Holy Land forms the greatest catastrophe on all religions, sacred places, ideals and the general morale other than the desecration of sanctuaries, shrines and religions.

Undoubtedly, the growing up generations, will on seeing such profligate scenes and acts, become susceptible to serious moral breakdown and social corruption, whereas the Holy City was the center for high character and proper bringing up and supreme demeanour during the Arab reign and the Jordanian sovereignty.

These are only few examples of many of what the Israeli Authorities and the Jewish people are freely practising in the occupied territory, these foregoing facts come to my knowledge through confident religious and public sources and I am perfectly certain of the extent of truth contained therein.

Thus trespassing on human rights, desecrating the Holy Places, torturing the Arab inhabitants, imposing wholesale unjust sentences, demolishing houses and villages, and confiscating Arab properties in such a way that history never knew of.

We are strongly confident that the free conscience of the Tri-partite international committee would reveal the truth and work hard for its verification.

READERS often ask why I am so interested in the Near East and especially the Holy Land. If I may be excused for the injection of the personal on this page, I would like to answer that question.

For three years I did postgraduate studies at the famous Ecole Biblique in Jerusalem under Père Lagrange and other great masters of Sacred Scripture as well as of the archeology, geography, and history of Palestine. We students studied every nook and corner of the city of Jerusalem. Afoot, on donkey, on horseback, and by car, we traveled back and forth over every mile of the Holy Land.

That was from 1925 to 1928. Palestine was an Arab country. You could travel from Gaza or Beersheba in the south to the borders of Syria on the north, or from Jaffa or Haifa on the Mediterranean you could journey eastward beyond the Sea of Galilee or to the Mountains of Moab and scarcely meet a Jew. There were a few. Tel Aviv was hardly more than a village. Some Jews had congregated in sections of cities like Jerusalem, Haifa, and Jaffa. A few agricultural colonies of Zionists were scattered here and there on the fertile plains.

But the people of the country were Arabs, the people who owned and cultivated the land were Arabs, the people of the towns and cities were Arabs. It was an Arab country, unquestionably and unreservedly.

Editorial business for the magazine brought me back to the Holy Land in the Spring of 1953. The southern, western, and northern parts of the country had been taken over by strangers from Eastern Europe whose only claim to the territory was that their ancestors had lived there 2000 years before. The plains along the Mediterranean and from Haifa to the Sea of Galilee, the only really fertile areas, covered formerly by Arab farms and gardens and vineyards and orange groves, were all occupied by these strangers. In the cities, the homes, the shops, the public services, everything had been taken over by the invaders.

Where were the Arabs who had been born here, whose ancestors had come into this land over a thousand years before, who had lived and worked and worshiped all their lives in this once peaceful part of the Holy Land?

They were gone. They were now huddled in forlorn refugee camps in Jordan, Lebanon, Syria,

and Gaza. I visited the refugees. Not all, to be sure, because there are nearly a million of them. Whole families—men, women, and children—were huddled together in the single room of a miserable hut or in tents. Many of them had been fairly well off. Now they were without property, without money, without work, living a day-to-day existence on a miserable dole from the U.N.

For nearly ten years now they have suffered this inhuman fate. The spirit seems gone out of them except when you mention their homes, or lands, or vineyards, or shops, and then they look over the hills to where they once lived, and their eyes burn with hatred and a thirst for revenge.

The Near East is important to the survival of the West because of its oil and its strategic position. But it is important to the West too because here an awful wrong has been done—almost comparable to Hitler's treatment of the Jews—and it has been done with our connivance and co-operation. If the blood of Abel cried to God from the earth, no less do the tears of these hopeless people. They know that our leaders helped to sell them into this misery, partly from ignorance but also for Jewish votes and for Jewish dollars in the coffers of the party treasury.

STATESMEN can talk as much as they like about the Gaza Strip and Aqaba, about the Aswan Dam and the Suez Canal and oil and strategy. It will all be to no avail unless we do something really effective to right this awful wrong, to make reparation for this crime that is almost genocide. This must be a first step toward real peace in the Near East.

If we fail, if we haven't the moral courage to expiate the sin we share with the Zionist invaders, we may share their punishment too. We could lose the Near East to the Russians and make war, possibly a losing war, almost inevitable. The anti-Semitism that would result would be a disaster not only for Israel but for Jews all over the world.

The blood of Abel didn't cry to God in vain; nor will the tears of the Arab refugees.

APRIL, 1957 ISSUE

"WESTERN FRONT", P.O.Box 27854,
Hollywood, Ca. 90027. No. 55, p. 4

This gentleman, Mr. Joseph Dilys of 3607 S. Union Ave. Chicago, Ill. 60609, may be seen daily on the N.W. corner of State and Madison in Chicago, health and weather permitting. He sells patriotic literature.

Mr. Dilys was born in 1903 in Lithuania and having been educated in forestry work, it was most natural that he found his place in State Forestry where he worked for 18 years. War between Germany and Russia changed his whole life and it was his knowledge of the forest that changed what appeared to be Communist arrest and undoubtedly the death penalty because he had shot a Communist police when they attempted to arrest him - as they occupied his country of Lithuania.

In June of 1941 Hitler's Army invaded Lithuania and Dilys found himself fighting against International Socialism /Communism/, and National Socialism /Hitlerism/, until the Gestapo /Secret Police/ forced Dilys to go underground in 1942. 1944 the Communists caught up with him and he carries two evident scars to prove it. A bullet pierced his

chest over the heart and while convalescing in a hospital his whereabouts was kept secret. When Mr. Dilys returned to his home, the Communist underground made another attempt to destroy him. They shot him in the head, the left cheek and machine-gunned his left leg. Neighbors gave him every assistance possible and within a few months he escaped to Germany. Dec. 15, 1944 his badly wounded leg was amputated about four inches above the knee. After two years in hospital with wounded German soldiers - he was released to face a new world - with a new wooden leg in 1946. Mr. Dilys said that he lived freely in Germany until 1951 at which time his friends in America arranged transportation and he settled in Rochester, N.Y. for a while. His deep desire to learn all about Communism was instrumental in his settling in Chicago. He practically lived in American libraries in all his spare time gathering his wealth of information. He tells how in 1958 he found the informative paper "Common Sense" - later he discovered "The Cross and the Flag", informative writings of Einar Aberg of Norrviken, Sweden and within the last few years "Western Front" which he praises most highly. In acquiring his education about Communism he contacted about 60 different organizations and he reports that his best support in Chicago are the Police. His biggest enemies are Rabbis and Lithuanian Churchmen. He speaks four languages: Lithuanian, German, Russian and English.

I stood alongside Joseph Dilys on the corner of State and Madison in Chicago for two and one half hours. I witnessed some of the many insults hurled at him by men and women. This kind of "patriotism" takes real courage but Joseph Dilys is a REAL PATRIOT and as he sells his conservative right-wing literature for 25¢ he is convinced that he is accomplishing something - he is educating and alerting the people to the real danger of COMMUNISM. I salute him! What he is doing requires "guts".

It is very obvious that J. Dilys is not distributing this honest, revealing type of literature for profit. He sells and gives away all printed material which exposes the enemies of Christ and America.

I heard them call him "dirty Hitler" - "stinking Communist" - "dirty pig" - "you should be in jail" - "we'll get your kind into a concentration

camp" - etc. etc. and much which I cannot print. I watched⁴heard a man whith two small boys say, "this is the man who creates and prints stories about people like us so that you will be killed when you're a little older", while he vehemently pointed closely to J. Dilys. His additional filthy insults I am unable to print. It was obvious he and the boys were Jews.

They have spit in his face and on his clothing. One man struck him so Mr. Dilys in self defense struck back with his only weapon - a cane without which he cannot walk. Said cane is presently mended in two places with tape - and despite the almost unbelievable threats and insults Mr. Joseph Dilys carries on.

I wish that I might have had more time while visiting Chicago where I spoke on the evening of June 14, 1970. I would have possibly arranged to pay this man "public tribute" on the corner of State and Madison. Perhaps those of you who live in the area may follow up with this suggestion. He is deserving of MORE than anything you can do but please do something in honor of this courageous patriot who recognized the true value of freedom.

During my two and one half hours with Mr. Dilys on this busy street corner I witnessed passing to and fro the dregs of mankind. I don't know where they all came from but the street of downtown Chicago I hope are not representative of the streets of America - and I say this with all respect to the residents of this once great city.

WHY ARE JEWS PERSECUTED FOR THEIR RELIGION?

The Truth is Stranger than Fiction!

THERE is an old saying that "a guilty conscience needs no accuser." We have wondered for a long time if that is the reason the Jew cries "religious persecutions," every time he is found guilty of any one of a number of different crimes that makes him conspicuous in the public eye.

From the Jewish religious law books, the Talmud, a set of books larger than the Encyclopedia Britannica, we have gleaned a few verses for our consideration. These passages have been translated from the original Hebrew by the courts of France, causing the King of France to order all copies of the Talmud to be burned in 1489; and used by the government of Germany to convict the Jews of sabotage; and in the United States many Jewish spokesmen, such as Marcus Eli Ravage, Arthur U. Michelson and others, have attested to the truth that these writings are part of the law of the Jewish Synagogue.

There are several branches of Jewry such as the Orthodox, Reform, Liberal, Conservative, Sephardim, Ash-Kanazim, Zionist, etc., but they all use the same religious books in

their synagogues, just as all the different branches of Christians use the same Bible.

We suggest you keep one question in mind all during the reading of this bit of historical testimony: Is this the reason the Jews have been disliked and driven out of every nation that ever existed down to the present time?

NOTE: There are several words that need explaining in order that the reader may get the full meaning of these writings.

TALMUD: The collection of Jewish civil and canonical laws. The final authority in deciding any matter relative to the conduct of the Jews.

TORAH: The Jewish tradition and instruction or decisions, given by the priests or Rabbis as divine revelation. The first five books of the Old Testament of the Christian Bible.

GOY: All non-Jews.

GOYIM: Plural for goy.

Every quotation is accompanied by the chapter and verse or the page of the book from which it was taken.

28. "Should a Jew inform the goyish authorities that another Jew has much money, and the other will suffer a loss through it, he must give him remuneration."—*Schulchan Aruch, Choszen Hamispat* 388.

29. "How to interpret the word 'robbery.' A goy is forbidden to steal, rob, or take women slaves, etc., from a goy or from a Jew. But a Jew is NOT forbidden to do all this to a goy."—*Tosefta, Abda Zara VIII, 5*.

31. "All vows, oaths, promises, engagements, and swearing, which, beginning this very day or reconciliation till the next day of reconciliation, we intend to vow, promise, swear, and bind ourselves to fulfill, we repent of beforehand; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be no vows, and our oaths no oaths at all."—*Schulchan Aruch, Edit. I, 136*.

(The Jewish Kol Nidre ["All Vows"] Oath has been set to a morbid Jewish music, and is often heard on the radio. It is sung as a chant at each Yom Kippur [Jewish New Year] service. [September 17]).

32. "Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings."—*Schulchan Aruch, Orach Chaim* 14, 20, 32, 33, 39. *Talmud Jebomoth* 61.

33. "A Jewish mid-wife is not only permitted but she is compelled to help a Jewish mother on Saturday (Jewish Sabbath) and when so doing to do anything which otherwise would desecrate the Saturday. But it is forbidden to help a non-Jewish woman even if it should be possible to help her without desecrating the Saturday, because she is to be considered only as an animal."—*Schulchan Aruch, Orach Chaim* 330.

34. "At the time of the Cholhamoed the transaction of any kind of business is forbidden. But it is permitted to cheat a goy, because cheating of goyim at any time pleases the Lord."—*Schulchan Aruch, Orach Chaim* 539.

35. "The Jews are strictly forbidden to cheat their brothers and it is considered cheating already if one-sixth of the value has been taken away from him. Whoever has cheated his brother has to return it to him. Naturally all that only holds towards

the Jew, to cheat a goy he is permitted and he is not permitted to return to him what he cheated him out of. Because the Bible says: 'Thou shalt not cheat thy next brother,' but the non-Jews are not our brethren, but as mentioned above, worse than dogs."—*Aruch Choszen Hamispat* 227.

Is it necessary to give any more of these quotations, to show the average intelligent American citizen that these Jewish people are not to be trusted? There are thousands of similar passages in all of the Jewish writings, but after reading these few, they ought to be enough to bring these questions to the mind of patriots:

How can a Jew take the oath of naturalization and become an American citizen? And, is it unjust to observe he may be valueless if not dangerous to American society?

How can a Jew legally and morally take the oath of Public Office?

How can a Jew be relied upon as a witness or an official in American Courts of Law?

How can a Jew be permitted to take the oaths and obligations of Christian American Lodges?

How can a Jew be expected to act as a worthy and ethical leaven in the capacity of publisher, editor, correspondent; theatrical and cinema producer or director; banker, statesman, congressman, or educator of American Youth?

How can a Jew, being an Oriental, be given any more rights than are being given the Japanese or Chinese?

Did Benjamin Franklin Know Whereof He Spoke?

Mr. Charles Cotesworth Pinckney, one of the framers of the Constitution of the United States, published his diary in which he says:

"Dr. Benjamin Franklin, a venerable figure weighed down by years and wisdom, leaned one hand on his staff, the other on the table and said, 'There is a greater menace to these United States of America than the strictly Roman. . . .'

"This greater menace, gentlemen, is the Jew!

"In whatever country Jews have settled in any great numbers they have lowered its moral tone; they have depreciated its commercial integrity; have segregated themselves; have not assimilated; have sneered at and tried to undermine the Christian religion upon which this nation is founded by objecting to its restrictions; have built up a state within a state, and when opposed have tried to strangle that country to death financially.

"If you do not exclude them from the United States in this constitution, in less than two hundred years they will have swarmed here in such great numbers that they will dominate and devour the land, change our form of government for which we Americans have shed our blood, given our lives, our substance, jeopardized our liberty, and put into it our best thoughts.

"Gentlemen, Jews are Asiatics. Let them be born where they will, or how many generations they are away from Asia, and they will never be otherwise. Their ideas do not conform to an American's, even though they live among us ten generations. A leopard cannot change its spots. Jews are Asiatics, a menace to this country if permitted entrance, and should be excluded by this Constitution."

The Jewish Transcript of Seattle, Washington, under date of May 29, 1936, admits that "the Communists are Jewish controlled," therefore it would be fitting to quote Karl Marx (Mordecai), the Jewish founder of both Socialism and Communism when he says:

"It is in vain we look for a key to the labyrinth of the Jewish soul in his religion. On the contrary, one must look for the mystery of his religion in the mystery of his nature. What is the basis of Judaism? A practical passion and greed of profit. To what can we reduce its religious worship? To extortion. Who is their real God? Cash!"

Such Jewish leaders as James Waterman Wise have challenged the American Jewish Committee to disprove that 85 per cent of all Jews are not Communists.

Henry Ford, American automobile manufacturer, says: "Corral fifty of the world's wealthiest Jews and there will be no more wars."

From authoritative sources we find, that President Roosevelt (has seventy-two advisers around him of which fifty-two of them are Jews, and to make matters worse, most of them are foreign born.

From other reliable sources we learn that more than 62 per cent of all the real estate, industrial plants, natural resources, and banks in the United States are either controlled by or owned outright by Jews. Of course the motion picture business and the clothing industry and a few others are owned and controlled exclusively by Jews.

We have letters and copyrighted newspaper syndicated articles on file that show that all important legislation passed by the congress of the United States in the last few years was written by Jews, such as Thomas

G. Corcoran and Benjamin Cohen. Not to mention the vast amount of similarly written legislation in almost every state in the Union.

The New York Yiddish Daily, "Der Tag," in an editorial on April 9, 1936, states: "The Jews of America, because of their NUMBERS, interest and ability, constitute a GREAT POLITICAL FORCE. They have not usurped this power; it BELONGS to them as of right! They are going to exercise it as THEY see fit! What are YOU going to do about it?"

The Red Network, a Who's Who and Hand Book, by Elizabeth Dilling, lists more than 600 Jewish Communist subversive organizations at work in the United States.

And so we might go on and on from a library of information, to show that the American people have misplaced their confidence when they trusted the Jews.

WE ARE CHALLENGING RABBI STEPHEN S. WISE, SAMUEL UNDERMYER, JUSTICE LOUIS D. BRANDEIS, JUSTICE B. N. CARDOZO, FELIX FRANKFURTER, BERNARD M. BARUCH, EDDIE CANTOR, ALFRED M. COHEN, OR ANY RABBI OR RECOGNIZED JEWISH AUTHORITY TO DISPROVE ANY STATEMENT CONTAINED IN THIS PAMPHLET.

Let the American patriots rise up as one man, and declare to all men everywhere, we shall enact the laws that Benjamin Franklin proposed. We shall protect the American Constitutional form of government against all comers. We shall clean house politically and economically immediately. Let them adopt the immortal words, "United we shall stand, but divided we shall fall."

WILL YOU HELP IN THIS CRUSADE TO END ALL DEPRESSIONS, UNEMPLOYMENT, BOLSHEVISM, AND STARVATION? THIS WILL BE THE LAND OF THE FREE AS LONG AS IT REMAINS THE HOME OF THE BRAVE.

Order one hundred copies of this pamphlet and distribute them to all your friends and relatives, and aid in this educational program.

JEWS KILLED CHRIST CONFIDENTIAL NOTICE TO ALL JEWS

(ORTHODOX, REFORM, NON-RELIGIOUS, AND "CHRISTIAN")

We are about to reach our goal. World War II furthered our plans greatly. We succeeded in having many millions of Christians kill each other and returning other millions in such condition that they can do us no harm.

There remains little to be done to complete our control of the stupid Goyim.

SHOULD THE ZIONIST BE
RELEGATED TO 'PALESTINE'
THERE WOULD BE NO WAR.

JEWS IN AMERICA — These are your final instructions prior to take-over:

1. Continue to enlarge our control over radio, TV, newspapers, movies and magazines.
2. Educate our sons and crowd the Gentiles out of the practice of law, medicine, pharmacy, and all the retail trades.
3. Make their Schools and Colleges trainings camps of our Red revolution.
4. Bring ridicule upon their Christian faith, divide their people, weaken their churches.
5. Demoralize their women and children.
6. Corrupt their courts and bring them into contempt.
7. Turn class against class. The Negro against the White.
8. Buy politicians and continue to corrupt their local, state and national governments.
9. "GET" the Fascist anti-Semites, one way or another.
10. Use willing fools like Truman, Eisenhower, Stevenson, and Warren; they will do our bidding.
11. Plan unlimited immigration of our persecuted people without restriction.
12. Continue our control of their money through the Federal Reserve System.
13. Continue to place Jews in key positions in government, army and navy.
14. We must destroy the Republic and replace it with a Democracy (Jewish-governed state Socialism.)
15. Continue our control over labor, agitate unrest, strikes and violence by any means or schemes.

I repeatedly stated and proved in court, that rabbi Irv J. Rosenbaum, 16 S. Clark, Chicago, Illinois 60603, Ph. FI 6-7370, rabbi S. Burr Yampol, 6159 N. Kenmore, Chicago, Ill. 60626, Ph. SH 3-7659, rabbi Jacob J. Weinstein, 950 E. 50th Street, Chicago, Ill. 60615, Ph. KE 8-3300 . . . are Fuereers (leaders) of Communism in U.S.A.

Dallas rabbis, maybe rabbi Levi Olan, lead communists to kill pres. Kennedy. The White people and the Negroes should not fight against each other, but they should unite in the fight against the rabbis.

Especially through these methods shall we plunge this country into destitution, demoralization, bankruptcy, and civil war, further lessening the numbers of our enemies.

The Bolshevik Revolution made us masters of Russia.

The last war made us rulers of all Europe except Spain.

Let the next war make us MASTERS OF AMERICA.

For the preservation of our race, you are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, even under oath, as directed by the Talmud.

It is needless to caution you of the terrible consequences that might follow if these instructions should fall into Goyim hands — THE CENTRAL CONFERENCE OF AMERICAN RABBIS.

It is the Christian cross upside down with its arms broken. We are not criticizing you for your faith - - so why do you offend GOD and JESUS CHRIST? - - By your actions you are helping to destroy our United States of America.

The paper JEWISH WORLD, of London, states on February 9, 1883 as follows:

The great ideal of Judaism is that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations - a greater Judaism, in fact - ALL THE SEPARATE RACES AND RELIGIONS SHALL DISAPPEAR.

The excerpt below is taken from a letter written to KARL MARX by his fellow Jew, BARUCH LEVY, as quoted in LA REVUE DE PARIS, June 1 1928, p. 574

The Jewish people as a whole will be its own Messiah. It will attain world domination by the dissolution of other races, by the abolition of frontiers, by the annihilation of monarchy which has always seen the support of individualism, and by the establishment of a world republic

in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel, who are scattered over the world, will furnish all the leaders without encountering opposition; and THIS WILL MORE PARTICULARLY BE THE CASE IF THEY SUCCEEDED IN GETTING THE WORKING MASSES UNDER THEIR CONTROL. The governments of the different peoples forming the world republic will, THROUGH THE VICTORY OF THE PROLETARIAT, FALL WITHOUT DIFFICULTY INTO THE HAND OF THE JEWS. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. **THUS WILL THE PROMISE OF THE TALMUD BE FULFILLED, IN WHICH IT IS SAID, THAT WHEN THE MESSIANIC TIME HAS COME, THE JEWS WILL HAVE THE PROPERTY OF THE WHOLE WORLD IN THEIR HANDS.**

COMPARE THESE TWO QUOTATIONS WITH THE SPEECH OF RABBI EMANUEL RABINOVICH, MADE AT BUDAPEST, HUNGARY, JANUARY 12, 1952.

Behind Communism stands - the JEW!

THE JEW KARL MARX WROTE THE COMMUNIST MANIFESTO in 1847... HE IS THE FOUNDER OF THE JEWISH PHILOSOPHY OF COMMUNISM, MATERIALISM AND WORLD DOMINATION.

After the Communist Revolution in October, 1917, Russia was dominated by a Council of Ten; they comprised SIX JEWS, TWO HALF-JEWS, ONE POLE and ONE RUSSIAN.

The six Jews were: Bronstein-Trotsky; Rosenfeld-Kameniev, Radomyski-Sinowjew; Sokolnikoff; Sverdlov; and Uritskii. The two half-Jews were: Lenin and Stalin. The Pole Dzerzhinski. The Russian Bubnov.

In the British White Book No. 1 on Russia (April 1919) was a report by the Dutch Minister at St. Petersburg, M. Oudendyk, who acted in charge of British interests during the Bolshevik revolution. He regarded the immediate suppression of Bolshevism to be the most vital need of the world, if need be by active war. If Bolshevism was not stopped then, he forecasted that it would, in one way or another, spread all over the world. His report is dated September 6, 1918, and he emphasized that Bolshevism is organized and led by Jews who have no nationality and whose aim is to gain power by the destruction of existing world order.

"The American Hebrew", leading Jewish newspaper in USA, wrote, September 10, 1920: "The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed is so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissimulation and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."

In 1929, the Jewish writer, Joseph Helman, who had returned from a visit to Russia, wrote in the New York "Hebrew Tribune": "In Soviet Russia we have not a dictatorship of the proletariat but the Jewish dictatorship of the proletariat."

"Jewry is the father of Marxist-Communism", said the Jewish journal "Le droit de vivre", published in Paris, May 12, 1933.

The Russians call Soviet-power, "shidovskaja vlast", which means, Jewish-government.

After the Red Army had been cleared out of Lithuania, in July 1941, the Lithuanian Press published detailed stories of Soviet brutalities which occurred during the occupation. The journal "Laisve", dated July 19, says: "In Lenkelishkas, the first day the Bolsheviks entered, they seized the Rector Belsys, the clergymen Petrika, and Professor Dabrila, from the hamlet Vilkevishkie.

They dragged them to a wood and tortured them in the most cruel fashion, and then shot them. The Rector Belsys was found crucified to a tree, a strip of flesh had been carved out of his back. In Zarnai, a cross had been carved deeply on the breast of the priest Baltrimas, and scissors had been hammered into his head and eyes." - THIS IS COMMUNISM PUT INTO PRACTICE!

HE WHO HAS DISCOVERED THE TRUTH ABOUT JUDAISM, AND WHO DOES NOT FIGHT JEWRY AND WARN HIS FELLOW-CITIZENS OF THE JEWISH-MENACE, BECOMES AN ACCOMPLICE OF THE JEWS AND AN ACCESSORY TO THE MISFORTUNES OF HIS NATION.

NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

On January 2, 1973, a confidential informant, who has furnished reliable information in the past, made available a copy of the "National Chronicle" (Volume 21, Number 42), dated November 16, 1972. The "National Chronicle" is a newspaper published at Post Office Box AC, Burney, California 96013, by Hal W. Hunt.

According to the above informant, several articles appearing in the above issue of the "National Chronicle" were reprinted from the NYA tabloid newspaper, "Attack!" Among these was the tenth in a series of articles entitled "Revolutionary Notes" on the topic, "New IRA Bombs." This article and the others reprinted in the "National Chronicle" were taken from the October, 1972 (Number 15), issue of "Attack!"

The "National Chronicle" article, "Revolutionary Notes," on the topic, "New IRA Bombs," has been reproduced and a copy is attached hereto.

Do It Yourself

These Notes are intended solely to arm the patriot with detailed information on urban guerrilla warfare technique and material, thus overcoming the monopoly which Marxist activists presently enjoy in this area.

NYA assumes no responsibility for medical or legal difficulties which may ensue for the individual who engages in the construction or use of any of the devices, materials, or techniques described herein.

REVOLUTIONARY NOTES (# 10)

New IRA Bombs

The topic originally scheduled for this Note has been postponed to make place for a development of current interest: a description of the improvised bombs now being used in Ulster by IRA terrorists.

Until a few months ago, the IRA relied almost entirely upon gelignite for its bombs. Gelignite is a commercial gelatin dynamite (essentially nitrocellulose gelatinized with nitroglycerin, plus various additives) widely used in Britain for quarrying and construction work.

When the British government recently instituted extraordinary measures to cut off the supply of gelignite to the IRA, the terrorists were obliged to improvise. They turned to an interesting category of materials known as Sprengel explosives.

Sprengel explosives consist of a simple mixture of two components, neither of which is explosive by itself. Most mixture-type explosives, such as black powder, are low explosives. That is, they burn rather than detonate and must be strongly confined to be effective.

Sprengel mixtures, however, are true high explosives, which when properly initiated, sustain a detonation wave. They are named after their inventor, the British chemist, Herman J. P. Sprengel.

There are many different Sprengel explosives. One component is always an oxidizer: fuming nitric acid, nitrogen peroxide, or an alkali nitrate or chlorate; the other component is more often mononitrobenzene (oil of mirbane, but may sometimes be a hydrocarbon or, in one case, carbon disulfide).

The best-known Sprengel explosive is a mixture of potassium chlorate and nitrobenzene called rackarock. It was formerly used in some quarrying operations.

Nitrobenzene is a common ingredient of many patented preparations, such as perfumes, shoe polishes, and certain inks. It gives paste shoe polish its characteristic odor. It is readily available from many sources, costs in the neighborhood of \$5 per gallon in small quantities, and although quite flammable and rather toxic, is non-explosive.

Potassium chlorate is also readily available. It is commonly used as an oxygen source and costs \$1.00 per pound in moderate quantities. When uncontaminated by other substances, it is not dangerous to handle, although it is poisonous.

A rackarock bomb is prepared by filling a suitable container (an empty milk bottle, for example) with finely powdered potassium chlorate. Immediately before use, enough nitrobenzene to wet the chlorate completely is poured into the container.

An electric blasting cap is then gently poked into the mixture and wired to an appropriate timing device. The lead azide detonator described in Note 2 works quite well with rackarock.

If the delay before detonation is to be more than a few minutes, the bomb should be sealed to prevent evaporation of the nitrobenzene, which is quite volatile.

One of the most interesting features of Sprengel explosives, from the guerrilla's viewpoint, is that the two components may be stored separately — in the homes of two guerrillas, for example — and, since they are not explosive by themselves, they are not illegal. The bomb can be assembled at the time and place it is to be used simply by bringing together its components.

In the next issue: constructing the System.

"WHAT DOES NOT DESTROY ME, MAKES ME STRONGER"

BY RUSSELL R. VEH

Out of
DARKNESS

into
LIGHT

As I sit here in the middle of the night, this March 16, 1972, the time is 2:31 a.m.. I am thinking of the past few years that I have been active in the so-called "Right Wing." I wonder just which way there is to accomplish the goals and ideas for which I believe in. I wonder even if those ideas for which I stand and believe in are all mine, and if so, does anyone else believe in the truth of my words?

~~In my short time here on this earth just 21 years, I have seen legal fights in our courts of law, that were not so legal, and not so lawful.~~

I have seen marches in our streets, so people of all walks of life; religious, political and racial could keep their way of life, to keep an open society open, or to show those in power that: "The people wanted." And to do so, so those of future generation would not have to do so.

I have often wished to write down my thoughts as to my way of thinking, my life and my personal feelings, but never saw any reason to do so until now. Mine is a human endeavor, an act to express an idea to the people. An idea which has been resisted and persecuted, harassed, and beaten down by every person in office, high or low, left and right, sick and sane.

STOP WORLD WAR 3

**NO WAR
to save
ISRAEL!**

Why such persecution for an idea? Why arrests and jail terms for a thought? Why so much harrasment for a paper? There have been no murders because of it, no trials for treason, no large scale violence. Maybe one of two persons who would attack me, who never thought there were people in this world who did not think the same way as they. Why?

I at first thought I wanted to keep this human endeavor free from "hate," race, religion, politics and what ever else people do not want to talk or hear about. But, how can I? How can I, when all these things have so much to do with our everyday lives?

I too, feel as though as this is written, while I am active in a political style, will my thoughts change from time to time?

Since I was young, and younger yet, I have wanted to hear a "calling," a sign, which will change my thoughts from time to time... which will put me on that road for which I was meant. I feel I have heard it now and am telling people far and wide what I belive to be the truth and asking those who will listen to join me in this effort. Those who will not listen, leave, and let me say what I feel is right.

No man should ever be afraid of saying what he truly belives in his heart, for if he is, then the gift from God, to think, is dead, and we have violated or are denying that Holy gift from God. For our freedoms, all of them are not liberty from governments, but gifts of love from our God.

Earlier tonight, myself and two "followers" (I use this word for the lack of anything else) picketed a "race-mixing movie." We, in our hearts truly belive that such things are not only un-christian, but will aid in the total breakdown of all races. We did not prevent ANYONE who did want to see it from doing so, we just exercised our GOD given right to say on signs, what we thought of this movie..... Were we wrong????

We stood in 15 degree weather for 5 hours, yet, where ever we went, it was cold, there were police, hostile people, un-just out dated laws, (which no one knows about) etc., etc., etc., Yet, one must realize that in any movement of any kind one must have the will and determination to do what ever is necessary, to reach the desired goal from A to Z, regardless of opposition or what may happen to him in the end. It is too bad so many have seen the end sooner than their goal. Remember, the blood of millions, the suffering of billions, and the hopes of trillions are on the hands of world governments and the "organized churches" of this dying and decaying society of the world. For they too, will have their reward, and those who have stood for truth, justice, peace, and God, WILL HAVE THEIRS.

At first, I saw the political "left" as what I wanted and was interested in. For they even though, so mixed up in religion, race, and left leaning, they have found UNITY. Both whites and savages united in their style of revolution, which I now see as one of the causes of this world's doom. They do not argue over the length of a person's hair, or who he has sex with, or their religion. They are united in a common cause which I see as a most powerful weapon. Their cause is, to them, a just one, and over looking such personal matters, they will continue to grow. They are not for things that do not matter, but only their goal, which a true spirit of a real revolutionary.

Right Wing "Power Machine

50 Years and NO PROGRESS
Maybe It's the "MACHINE!"
